Recommendations:

- ☐ Increase membership: Membership drives **Revenue!** Membership provides networking, education, and resources to our ED nurses. ED nurses across Tarrant County need a voice in there ED nursing practice.
- ☐ Need to find a way to infiltrate the Tarrant County Emergency Departments to advertise the ENA meeting dates and times. With information related to in person or virtual meeting as a way to get involved and take part in educational offerings.
 - 1. Encourage ED nurses to be a voice in their practice through taking part in the ENA (direction of ENA, develops Education, and lay the foundation for all ER nurses).
- ☐ Continue to provide education to our ED nurses, and to give an avenue for all ED nurses to become certified in our Healthcare environment.
- ☐ Continue Barry's Golf Challenge
- ☐ Continue with TNCC/ENPC, BLS/ACLS/PALS courses
- ☐ Continue with CEN, CPEN, and TCRN Review courses.
- ☐ Find new fundraising avenues to offer more funds to the delegation and other educational offerings for board members.
