- ☐ Need to find a way to infiltrate the Tarrant County Emergency Departments to advertise the ENA meeting dates and times. With information related to in person or virtual meeting as a way to get involved and take part in educational offerings.
  - 1. Encourage ED nurses to be a voice in their practice through taking part in the ENA (direction of ENA, develops Education, and lay the foundation for all ER nurses).
- ☐ Continue to provide education to our ED nurses, and to give an avenue for all ED nurses to become certified in our Healthcare environment.
- ☐ Continue Barry's Golf Challenge
- ☐ Find new fundraising avenues to offer more funds to delegation and other educational offerings for board members.
