

# Legacy Light Grant Program™

Date: May 22, 2025

## Overview

The Legacy Light Grant Program™ is an enduring initiative of M K World Wide Corporation (MKWW), dedicated to advancing our mission of uplifting humanity, fostering innovation, and facilitating spiritual and cultural restoration.

## Purpose

This program exists to provide targeted financial support to individuals, startups, nonprofits, and communities that embody MKWW's values and actively work toward global betterment, particularly in the areas of mental health, spiritual enlightenment, post-crisis rebuilding, and ethical technology.

## Eligible Use of Funds

- Mental health programs and crisis intervention
- Culturally or spiritually restorative projects
- Ethical technological research and deployment
- Direct aid for marginalized or disaster-impacted communities
- Youth education, healing, and empowerment initiatives

## Governance

The program is administered by MKWW's Board of Directors or successor stewards. Decisions are based on need, alignment with MKWW's mission, and projected impact. In the event of organizational dissolution, the remaining MKWW assets shall fund this program through a successor 501(c)(3) organization or pre-approved grantees.

## Reporting Requirements

Recipients are expected to submit quarterly progress reports that include impact milestones, financial breakdowns, and qualitative or visual documentation.

## Dissolution Clause

Should MKWW dissolve, the Legacy Light Grant Program shall be enacted as the final act of the organization. All eligible recipients or successor entities shall be funded in accordance with the Asset Dissolution Plan filed with the IRS and relevant state authorities.
