PURPOSE OF THIS PETITION:

This petition hereby initiates a formal invitation to enter into strategic dialogue regarding a **creative, technical, and design-based collaboration** between **MK Worldwide Corporation's Catalyte Division** and YOU, with the aim of conceptualizing and potentially producing a **Sovereign-Class Experimental Machine**.

This collaboration would fuse:

- Rolls-Royce-level craftsmanship and spirit of presence
- BMW E46 soul + engineering aesthetics
- Cadillac Escalade V-Series power and volume
- Crystal and AI-integrated cabin architecture
- Catalyte™ sacred design language

PROJECT PROPOSAL IN BRIEF:

Codename: *Lux Dragon One*

Body Class: Ritual Wagon / Sovereign Command Vehicle

Drive Soul: 6.2L Supercharged V8 or Custom

Interior: AI-reactive, crystal command center, panoramic display, sonic insulation chamber

Form Fusion: Cadillac Escalade extended estate body + BMW E46 front fascia + RR trim DNA

Use Case: Private transport, ceremonial drive, prototype for full Catalyte™ line

PROPOSED POINTS OF COLLABORATION:
