

2023-2024 Tuition Summary

WVCA K-8 Grade is a private school with no state or federal funding. Tuition is the sole form of income for operations. The fee schedule is an outline of tuition for each school component. Tuition is based on an annual fee billed over ten months beginning in August. Students enrolling after August will be billed for the first month of attendance, as well as August tuition at time of enrollment. Tuition is not inclusive of special events, sports participation, or field trips.

Non-refundable Annual Enrollment & Re-Enrollment Fee

The annual enrollment and re-enrollment fee is due at time of enrollment for each student, up to the third child in each family. The fee covers the cost of the following critical items associated with enrollment at WVCA, and will not be provided without the submission of the annual fee, and accounts are in good standing.

- Curriculum: Workbooks, Texts, etc.
- Technology: Chrome Book use, Internet, Gradelink
- Facility: Maintenance & Grounds
