

Dear WVCA Families,

Welcome to another great year at West Valley Christian Academy! We hope you all have a wonderful and blessed summer with lots of fun memories with family and friends.

This coming school year, we are happy to say that **Mr. Maez** will be back for his 3rd year as our **History and 8th Grade Homeroom teacher**. He will be coordinating the 8th Grade Graduation as well as resuming his duties as one of our Student Council Advisors.

Mrs. Cailles will be returning for her eighth year as our **Math and 7th Grade Homeroom teacher** and will resume her duties as one of our Student Council Advisors.

Mr. Colton will be starting his 4th year at WVCA as our **Science and 6th Grade Homeroom teacher** as well as one of our Student Council Advisors.

Pastor Justin Weldon will again be our **Bible teacher** on Mondays, Tuesdays, and Thursdays. He will be returning for his seventh year at WVCA and is the Youth Pastor for Tracy Community Church.

With this letter, you will find a Supply List. We urge families to ensure their students have the supplies they need throughout the school year. Pens (red and black), pencils, whiteboard markers, and paper are the most frequently used items.

We are looking forward to seeing all our families at Orientation Night on Tuesday, August 26th. Details for the evening are TBA. School begins the following Tuesday, September 2nd.

The staff at WVCA are praying and preparing for a meaningful and exciting year. We look forward to partnering with you!
