

West Valley Christian Academy Cougar Club

Licensed Onsite Before and After School Child Care

Now Enrolling!

Applications & Tuition Rates
available at

WestValleyChristianAcademy.com

We are excited to exclusively offer our WVCA Families a high quality child care experience. Childhood is a time to enjoy friends, play, create, and build a strong foundation for the future. WVCA Child Care- Cougar Club uniquely offers:

Onsite Location: The onsite location provides a closed campus safeguard for our students, and escorted transitions of care between Cougar Club and WVCA employees before and after school.

WVCA School Pride Connections: WVCA Child Care participates in before and after school WVCA events to ensure the children in our care have access to their school community happenings.

Valued Time: WVCA Child Care values the time we have with the children, and strives to ensure that children are ready to go to school, and go home in the evenings to spend quality time with families. **Homework club is included in tuition.**

Building a High Christian Character: WVCA Child Care-Cougar Club continues the efforts of WVCA to instill high Christian Character traits through acknowledging and encouraging behavior that is a positive impact on the peer community.

***Completed applications must be submitted by August 23 to attend the first day of school.**
