April 26, 2020

Dear West Valley Christian Academy Families,

We have been praying for you and your families and hope you are doing well. We are anticipating the day that we will be able to get back to school on our campus. We are continuing to follow the guidelines that have been set for the local Shelter in Place and we will continue to adjust and be flexible. Thank you for your continued support and flexibility as we all continue to adjust and adapt.

It seems crazy but we are coming up to the final month of the school year. It has been a different year, a challenging year, but a good year. With the challenges that arose, our families, teachers and staff did an amazing job changing with what was thrown at us and continue to do a fantastic job.

Although as of today we don't have an answer as to when we will be able to get back into the classrooms, we need to continue to plan for the upcoming school year, 2020-2021. We will be here next school year. We have been planning and getting things ready and preparing for many different scenarios. While we believe that by September we will be in our classrooms, we have made plans to continue and make our distant learning platform better and more efficient. If we have to adjust class sizes to keep social distancing intact, we will be prepared for that as well. We will continue to listen and follow the recommendations that are given to us because a priority will be on all our students safety as well as their education.

As we are planning for next year, we need to begin to order curriculum and set up budgets etc. With that if you have not done so already, we need to get your registration in. With the potential to have to adjust our class sizes because of the social distancing we want to make sure if you are planning to register and have not done so already that you get your students spot. We are in open enrollment now, so it is open to students who are not currently enrolled in WVCA.

To register your student(s) you can visit our website at [www.westvalleychristianacademy.com](http://www.westvalleychristianacademy.com) and print out the forms and mail them to the school along with the enrollment fee. If you would like to pay the enrollment fee online you can do so at [www.tracycommunitychurch.com/give](http://www.tracycommunitychurch.com/give) and in the drop down menu select WVCA Tuition and please write in the memo your students name and put enrollment fee.

If you have any questions in regards to registration or you are going through a financial difficulty please reach out to me directly at [scrivello@tracycommunitychurch.com](mailto:scrivello@tracycommunitychurch.com).

If there is anything that you need please know that we are here for you and your family during this time. We will continue to pray for your family and our students.

*Deuteronomy 7:9 – "Know therefore that the LORD your God is God; he is the faithful God, keeping his covenant of love to a thousand generations of those who love him and keep his commandments."*

God Bless,

Pastor Sam Crivello
