

Dear Second Graders and Parents,

Welcome to the 2022-2023 West Valley Christian Academy school year. My name is Katalia Nadig and I will be your child's second grade teacher. This year we will have fun learning and exploring new concepts. Your child will grow spiritually and independently as they become their best self, and strong leaders.

Parents, I eagerly await working with you as we come together and collaborate for the academic and moral success of your student. I believe that parent/teacher partnership and communication are extremely important to the success, flourishing, and confidence of your child.

Thank you in advance for your support.

I am excited for the school year to begin and I hope you are as well! Enclosed with this letter is a school supply list to start out the year. Orientation is Tuesday August 30st at 6:15 in the chapel. If for any reason you are unable to attend please notify the office. Thank you for choosing WVCA for your child's Christian education. I am honored to be a part of that journey.

Blessings,

Mrs. Nadig
