

Organization Name: **Native American Club (NAC)**

Advisor(s): **Seth Thomas Sutton**

NAC Mission Statement:

As an organized body of Indigenous and non-indigenous student advocates and allies, the mission of the Native American Club (NAC) is to support the development of an inclusive culturally pluralistic campus environment, where Indigenous heritage is accepted and celebrated. The NAC strives to preserve, educate and explore local Indigenous culture while providing a strong, diverse atmosphere that encourages personal development and academic achievement, as well as raising awareness for political and social issues that affect Indigenous communities and communities at large.

Members do not need to be Indigenous to join and participate in the NAC.

Goal Achievement:

Through various educational, social and cultural projects as well as community service opportunities that reflect the views of the NAC and Montcalm Community College.
