Turning dream kitchens **into realities.**

COSMO Appliances has been in business as a wholesale manufacturer and distributor of major kitchen appliances for almost a decade.

Headquartered in Montclair, California we bring our products directly from the factory to an authorized network of dealers throughout the country, and our ability to do so helps us provide such competitive pricing on quality goods.

Aesthetics and innovation are the service of function and it's the reason we design with our customers' needs in mind.

OUR STORY

Cosmo Appliances, the new name in modern luxury kitchen appliances is fast becoming a leader in manufacturing premium products known for seamlessly integrating performance, technology and design to advance the kitchen beyond mere form and function.

Cosmo makes state of the art living possible with our cost-effective portfolio of aesthetically pleasing and high-performing stainless steel appliances. We believe the heart and soul of any home is the kitchen, and a well-crafted kitchen makes for a happy home.

We are driven to produce products that inspire people to come together and create unforgettable moments. We are turning dream kitchens into realities for more consumers. Ultimately, Cosmo makes luxury appliances accessible to all.
