# Frost-Free Choices For Every Footprint

**For space-challenged kitchens, there's no better choice than SUMMIT APPLIANCE.**

For over 40 years, we have specialized in serving the needs of smaller homes by offering more refrigeration choices than virtually any other manufacturer. Our household refrigerator-freezer collection includes a **wide variety of sizes and styles, from classic top mount freezer units in white to counter depth french door models** specially designed for the modern lifestyle.

We're confident that we have the answer to any hard-to-fit kitchen space.

With user-friendly features, fast delivery and competitive pricing, we are happy to be **your source for slim-fitting household refrigeration.**

# Bottom Freezer Refrigerators with Counter Depth Fits

## True Convenience With Energy Savings

The modern design of a bottom freezer refrigerator is perfect for keeping your most commonly accessed items at eye level. Our counter depth line includes several sizes in slim-fitting footprints, all with energy efficient operation and deluxe features to complete any small kitchen with professional style.

### Energy Efficient Performance

Our European Bottom Freezer units are ENERGY STAR qualified for annual savings on your utility bill.

### Freezer Baskets

The bottom freezer includes pull-out storage baskets with clear fronts, perfect for keeping items in view but protecting frozen items from exposure to room temperature when the door is opened.

### Built-In Choices

**Models: FFBF181ESBI • FFBF192SSBI  
FFBF279SSBI • FFBF249SSBI**

Available multiple sizes, these units can be installed with zero clearance for an integrated kitchen design.

### Intuitive Digital Controls

Manage the refrigerator and freezer temperature at the touch of a button.
