Hi Guys, another short one.

The Douthat trip is April 1. This is by far one of the most exciting spring 'group' trips. Rick Mattox of the Scotts Creek Chapter religiously arranged for both permission to paddle Back Creek AND securing the original lodge at Douthat State Park. We have had many great paddles and many great parties at the top of the mountain both Friday and Saturday. The Bull Pasture Gorge, Back Creek Gorge, Jackson River and Maury River (the 'Goshen Ocean') were all visited last year because the conditions were perfect. With some of the finest whitewater in the state with clearly some of the finest scenery...well...one owes it to oneself to experience it. Just ask anyone who has been there...it is truly heaven for any paddler experienced enough to know the difference.

Spring Fling will be held either at Ravens Nest or the Slate Property, TBD. Always a 'great, fun family-gig'.

Please let's not forget we are in need of officers especially the office of President, who is in his fourth year...never been done before. Time to step up gang...

Hope to see you on the rivers...

Tony..."El Guapo"

Meeting Minutes: by Ginnie Peck

Winter Meeting: 12/05/2016

Minutes by: Ginnie Peck

President: Tony Adams called the meeting to order.

- Thank You to the Rucker's Run property owners.

Secretary: *Ginnie Peck made a motion that the minutes from the Labor Day 2015 Meeting be accepted as posted in the Fall 2015 newsletter. Rick Mattox seconded the motion. No discussion followed. The motion was carried and minutes accepted.*

Treasurer: Lisa Barbieri-O'Sullivan handed out a copy of the Treasurer's Report.

- **Treasurer's Report:** was passed out the membership.
- Current Account Balance: \$9,141.52
- Current total CD Balances: \$8,570.23
- A copy of the full report can be obtained by emailing Lisa: lbarbieri@reynolds.edu
- A new format was proposed, by the Finance Committee.
- Chapter Treasurer's are to email the amount of money deposited, into the State Account, each time a deposit is made.
- The reason for the deposit, to include the number of membership dues paid, is to be part of the email.
- *Lisa made a motion the Treasurer's Report be accepted as presented. Ryan Bomar seconded the motion. No discussion followed. The motion was carried and the Treasurer's Report was accepted.*

Membership Chair: Scott McEwen stated that there were 192 paid members for the year 2015.

- **He asked that the Chapter Treasurers please use the State Membership List, which he sends to each Treasurer, be used to make changes rather than each Chapter Treasurer have their own list and format.**
- Once changes are made to the list he sends the Treasurers should send the updated version back to Scott. Any changes should be highlighted in Light blue.
- It is very difficult to combine lists and make updates when every Treasurer has their own format.

Newsletter Editor: Taylor Adams was unable to attend the meeting.

- The Newsletter is due to be mailed & electronically sent four times yearly on February 1, May 1, August 1, & November 1.
- Any submissions to the Newsletter should be made by the 15th of the preceding month: January 15, April 15, July 15, & October 15.

Meeting Minutes Continued

Page 2

- Please make all submissions in PDF or Word format.
- The Newsletter is posted on the FFV Webpage prior to being mailed, each time.
- A recommendation was made to include ONLY the physical address & written directions in the Newsletter Please exclude the maps.
- Directions to each event are also posted on the FFV Webpage.
- Before directions to Private Property are posted on the Webpage, permission is obtained from the owner(s).
- Some property owners prefer that the directions are not posted or are only posted through the event date(s). In this instance the directions will be removed from the FFV Webpage.

Webmaster: Traci Martin was unable to attend the meeting.

• To post information on the FFV Webpage, please submit pictures, videos, important info, etc. to Traci: tracimartin1970@gmail.com

Finance Committee: Bill Tanger presented the Finance Committee's budget proposal for 2016.

Conservation Chair: Bill Tanger presented 2 main points of interest.

1. The Governor, of Virginia, announced his Legacy of 1,000 Treasurers. This includes River Access.
 1. This is to be accomplished during his tenure.
 2. FORVA sent a letter to the governor addressing Railroad crossing issues and the intent.
 3. There are over 2 dozen Railroad Crossing points that need to be addressed.
 4. The Governor has not yet responded to the inquiry.
2. Cushaw Project and Locke 14 (Above the "Iron Man Take Out").
 1. A proposal was made & approved by all parties except the Railroad; therefore was rejected.
 2. The focus is now on a proposal for the "Iron Man Take Out" to create a footbridge OVER the RR.
 3. VDOT & the Forestry Department have not approved the Picnic Site, below the "Iron Man Take Out" due to line of site for traffic turning into or pulling out of the area.
 4. The question has been raised: since the RR rejected the original tunnel proposal, does that mean there can be NO tunnels under the RR or just at that site? No response has been given yet. A tunnel would be the most cost efficient.

****ALL parties would like to see the TUNNEL Proposal passed, except for the Railroad.****

Meeting Minutes Continued

Patrick O'Sullivan discussed Dominion Power's intent to dump Coal Ash into the James River, near Bremono Bluff & into the Potomac River, near York. These rivers feed into the Chesapeake Bay.

- Dominion has applied for a permit through DEQ and is trying to get it passed ASAP.
- Bill recommended that we, as individual members, send letters out to our State Representatives and Governor.
- Contact Bill for further information regarding drafting a letter.

Conservation Challenge: Ginnie Peck is challenging every member of FFV to decrease ultimately eliminate the use of throw away water bottles and containers.

- Use coolers with a dispenser spout for drinking water.
- Reusable bottles for portable drinking water in coolers.

Randy Carter Award: Send all nominations to Bill Tanger with a brief Bio of the nominee.

OFFICER NOMINATIONS: Please contact Ginnie Peck if you are interested in becoming the FFV President, Secretary, Treasurer, or Vice President. We REALLY need a few people to step up and commit to a two year term. Each of the previously mentioned positions must be filled.

New Business:

- 1. Dog Control:** Dog Control was discussed at great length. The following Guidelines are recommended:

- First: Use your best judgment and regulate your own dog/pet. Your dog/pet should not be bothersome to others.
- All dogs should have an appropriate and well fit collar, which does not slip off.
- A leash should always be available.
- If you have a dog or pet that does not play well with other dogs or people: Please do not bring the dog/pet.
- If your dog/pet instigates a conflict, please restrain the animal for the remainder of the event & consider leaving the dog/pet at home for future events.
- Aggressive dogs/pets and dogs/pets that continually bark should not attend FFV events.

2. Quiet Hours: The suggested cut-off for time for loud music, loud voices, loud games, etc is 11:00pm. Strongly recommended cut-off time is 1:00am. Please be respectful of your fellow campers.

Ryan Bomar made a motion that we allow \$150.00 for the purchase of new FFV Stickers. Rock Willoughby seconded the motion. The motion was carried.

Dog: Man's Best Friend

By: Ginnie Peck

During the Winter Meeting, Tony asked if someone would write a short article in regards to dog control and safety. I volunteered because I am a dog owner and love to see all the FFV dogs at each event. Bob and I have a great canoe dog, she just barks at everything! As a result we do not bring her to the large FFV events. FFVer's have a long standing tradition of including our dogs at any and all events. There was an unfortunate altercation, between two dogs, at the 2015 Labor Day Weekend Event. Subsequently one of the owners was bitten during the attempt to break up the fight, and had to be taken to the ER for treatment & stitches. This has brought to our attention that we need to make a few recommendations. Recommendation is the word of choice because making "Rules" to "Govern" our pet control within FFV is not in order.

The recommendations are listed within the Winter Meeting Minutes. Please take a few moments to review them. The objective of this letter is to remind each of us to police ourselves and our pets. A few points, not recommended during the meeting, are as follows:

- Please keep track of your dog, at all times. Not everyone likes dogs.
- When the FFV kids are running and playing, pet owners should restrain their dog if the animal likes to join in and tackle the kids. Play biting can become dangerous, especially with the little FFVer's. The kids come first.

Other Float Fishermen News

Clean up after your pet; nobody likes stepping in dog poop.

- Keep a closer eye on your pet while everyone is cooking in the am and pm.
- If you have an issue with a fellow FFVer's dog, please address the issue in a respectful manner.

The incident Labor Day weekend was truly an unusual and unfortunate circumstance. Continuing to police ourselves will help to prevent this issue from re-occurring and actual "Rules" coming into play. As a large dog owner safety is always a high priority. This means making sure all people are safe around my dog and that my dog is safe around people, other dogs, and the surrounding environment. We can't always predict doggy behavior (good or bad). They are animals. A well trained dog is a happy dog. A well trained owner is an even happier dog. Just an FYI: my dog is not well trained and neither are Bob and I. We are very fortunate to have a very happy dog.

What's Happening Around the State?

We would like to thank both the State organization and the FFV Foundation for their generous contributions at the December meeting. We hope that fellow Float Fishermen [individuals and

chapters] will consider a donation to the Friends of Goochland Parks.

Float Fishermen members Don Leeger] and his wife Kitty Kimmel are board members of the Friends of Goochland Parks – an IRS 501c3 non-profit that supports the Goochland County park system. Goochland County is blessed with nearly 40 miles of James River frontage – waters that are family and fishing friendly. Goochland County shares some of this frontage with the new Powhatan State Park.

Goochland County Parks and Recreation operates and maintains all of the county parks, including Tucker Park at Maidens Crossing. This 36-acre flood plain was donated to the County by the Tucker Family. The park has 1200 feet of James River frontage that does not require crossing a railroad track for access. Current park features include a .9 mile walking trail, a butterfly garden, 2 performance / stage areas, historical and educational markers, and numerous benches and picnic tables.

Long-term plans for the Goochland County Parks and Rec Department include developing a canoe trail all along the James. Part of those plans contain a primitive canoe launch at Tucker Park, on the downstream side of the Hwy 522 Bridge. Permits for construction have been issued. The site plan – based on the DGIF primitive launch plans – has been developed and submitted to the bid process. The FOGP Board hosted a ground breaking for the canoe launch on 17 November 2015. Article link: http://www.richmond.com/news/local/central-virginia/goochland/goochland-gazette/article_454a9a32-931a-11e5-9135-67d3000148e3.html

The Friends of Goochland Parks has received 2 generous grants – one from the Goochland County Board of Supervisors and an anonymous donor. However, the board still has \$15,000 to raise.

Again, thank you to both the State organization and the FFV Foundation for their generous contributions. We hope that fellow Float Fishermen [individuals and chapters] will consider a donation to the Friends of Goochland Parks. Any amount is perfect. Contributions are fully tax deductible. Donors will receive a receipt suitable for tax purposes.
