- Closing prayer (2.5 mins)

NOTES, DECISIONS, & ACTION ITEMS

- DECISION TAKEN:** We need to be cognizant of the budget and stay within the limits. Before any project we need to come-up with a list of approximate budgets and stay within the limits of the budget.
- DECISION TAKEN:** We should also try to explore multiple options for expense on goods and service and be as frugal as possible.
- DECISION TAKEN:** We should focus more efforts on appealing people to contribute towards the foundation. This is important especially during public programs so that people can takeaway how to contribute. We can attract people by focusing on TAX benefits and Donation certificates. @Gaurav Joseph Patole to update the slides for Contribution.
- DECISION TAKEN:** For any event, we should put helpdesk which will have donation box, banner, or standee on how to contribute.
- DECISION TAKEN:** We may not execute more than 2 to 3 lightweight projects in a month for the org. 1-month advance planning need to take place.
