# WELCOME TO CAMP JCC

## CAMP DIRECTOR

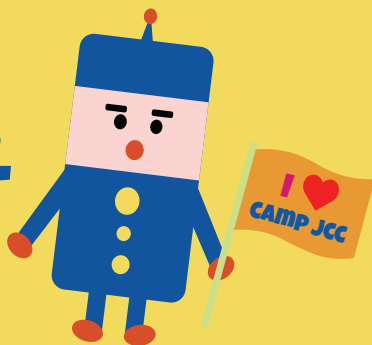

### Hi, I'm ABI!

After being away last year on maternity leave, I am beyond thrilled to be back for **Camp JCC 2024** – this will be my eighth summer (wild, right)?! During the year, you can find me working within the JCC children's department in a multitude of programs such as *Time for 2s*, *Kids 'R' Us*, and *Beyond the Bell*. I can't say that I have too many hobbies, but when I'm not at the JCC, I spend every waking minute with my daughter – she really is my best friend! While there will be many familiar faces that I am excited to see, I am also eager to meet new families, and show you all the wonders of Camp JCC!

# POOL INFORMATION

- All children seven years old and younger are required to stay within arm reach of an individual over the age of 16 and wear a lifejacket. The aquatics department has a selection of life jackets that the day camps can use during their pool times.
- Children eight years and older will have the opportunity to complete a swim test at the beginning of each camp week which will be supervised by an on duty lifeguard. If they pass, they will be able to swim without a lifejacket, if they are unsuccessful they will require the use of a lifejacket. They can attempt the swim test once a week, and a master list will be maintained throughout the summer.
- The swim test consists of jumping into the deep end, then without touching the wall or using an aid, treading water for 60 seconds with their jaw line, nose, and ears out of the water, then without touching the wall or an aid, front crawl 25 meters with their head in the water and breathing to the side.
- Due to the ratios required within the pool, campers must participate during the swim periods, unless a medical reason is present. We do not have the staff available for alternate activities during these times.

## ZERO TOLERANCE

Our zero tolerance policy exists to protect our campers and leaders against violence, bullying, name calling, teasing, etc. At Camp JCC we do not want to see any camper dismissed for behavioral reasons. We make every effort to work with day campers and their families, allowing them the opportunity to correct their mistakes when they are misbehaving. However, we do have a zero tolerance policy for campers committing excessive verbal or physical abuse towards campers or leaders. This behavior would include: hitting, punching, kicking, or other forms of fighting, verbal threats of violence, and excessive name calling and swearing. Furthermore, any camper caught stealing or damaging another person's property will also be subject to our zero tolerance policy. These previously mentioned behaviors will not be tolerated and may result in expulsion for the remainder of the camp session.
