

Capability Statement

...Always Ready at A Minutes Notice

Core Competencies

- **Multi-Trade, One Prime:** Flooring, roofing, laundry, linen, and grounds maintenance, etc, under a single prime.
- **Work in active medical centers:** Trade execution inside operating VA hospitals under strict phasing, access-control, safety, and infection-control requirements.
- **Specialized subcontractor management:** Sourcing, vetting, and on-site supervision of trade subcontractors under a single accountable prime.
- **Federal prime administration:** FAR-based contract management, quality control, scheduling, compliance, and CPARS rated performance.
- **PMO led delivery:** A Project Management Office (PMO) providing planning, reporting, and risk control across concurrent task orders.
- **Adjacent facility trades:** Building envelope and facility service scopes delivered through a vetted subcontractor network and the same PMO controls.

Differentiators

- **SDVOSB VA prime** with current past performance, directly eligible for VA "Veterans First" set-aside and sole-source awards.
- **Elite leadership:** Disciplined, mission-first execution under pressure, on schedule and to standard.
- **High Finance:** Cost management, transparent pricing, and audit-ready documentation.
- **Healthcare environment PMO:** Recent, direct experience delivering trade work inside operating VA medical facilities without disrupting care.
- **True prime accountability:** One responsible entity carrying FAR compliance, quality, and reporting, not a pass-through.
