

A NIGHT THAT CHANGED THE WORLD

The world was darklight appeared

The world was evil.....goodness arrived

The world was in despair.....hope sprang forth

The world was full of fear and hate.....love came in its fullness

The world was sick.....a healer was here

The world was proud.....humility was displayed

The world was bound in sin.....a liberator had come

The world was lost.....a Savior was born

A baby born in Bethlehem over 2000 years ago brought forth all those good things. The shepherds had been watching over their sheep and lambs. That evening they came to look at one who would later be described as 'the Lamb of God, who takes away the sin of the world.' He would become a shepherd who would watch over a flock that He would lay down his life for.

The world first came to know this baby and man as Jesus, which meant Savior, but as His ministry began He was anointed by the Holy Spirit and was known as Jesus the Christ. However, after he died, and was raised from the dead, He was proclaimed as the Lord Jesus Christ. He ascended to heaven and took the throne of God. He now reigns over those who submit to his Lordship. The story does not end there, for one day He will return to this earth and will be seen in all his majesty and glory as **THE KING OF KINGS AND LORD OF LORDS**

MERRY CHRISTMAS and

ETERNAL CHEER !!!!!
