

THE CAUSE

May 21, 2024

One can tell a lot about a person by the cause they promote and stand for. Evidence of their seriousness about their cause is based on what they are willing to sacrifice, such as their time, money and energy. Too often voters choose leaders without doing some research. I was able to assess Obama, Trump and Biden early on in their campaigns by their slogans.

Obama - His logo and slogan was **FORWARD**. This was a long used slogan by European Marxists. The idea was to move forward past capitalism toward socialism and finally to communism. Obama said he wanted to 'fundamentally transform America.' He learned how to do it at Columbia University where he learned the Cloward /Piven strategy, which is to totally overwhelm the system with excessive spending in order to destroy capitalism and get the people subservient to the government.

Trump - His slogan: **MAKE AMERICA GREAT AGAIN**. This was an appeal to return to the common sense ideas our country was founded upon which included avoidance of entangling foreign alliances and wars, promoting the sovereignty of America and the freedom and responsibility of individuals. Trump was a billionaire who appealed to blue collar workers and was not beholden to as many monied interests as others would be.

Biden - His slogan: **BUILD BACK BETTER**. Joe got this directly from the WEF (World Economic Forum) which is the globalist group founded in 1971 by Klaus Schwab in Switzerland. They do not believe in nation states but seek a world government. This explains the open borders policy in America and elsewhere. Joe was one of the early mentees of Klaus and was praised as a speaker at the WEF. The father of Klaus was lauded by Hitler for his effort as he employed slave labor in his factory. Klaus has taken on many of the ideas of Hitler in order to gain total control, such as the control of the media, the health system and the use of climate as a crisis, only on a global scale. Biden's intent is to promote 'The Great Reset' of the WEF. The structures are being built for the reign of an antichrist person.

Jesus Christ - His slogan: **THE KINGDOM OF HEAVEN IS AT HAND**. This plan does not come from man but from the Holy Spirit, who transforms mankind from the inside out. The spirit of man is reborn with a heart change, then the mind is renewed according to God's ways and is lived out into all areas of society that need transformation. This is merely preparation for the ultimate rule of Jesus Christ over all creation. This life is meant to be preparation for full reflection of the image of Jesus and rulership with Him for all eternity in a kingdom that will never end. Some earthly leaders are better than others, but none can compare with the Lord Jesus Christ. He is the ultimate leader who never needs to change, for he is perfect. - Hebrews 13:7-8. If everyone voted for Jesus in their own lives, the world would be a better place for he has the superb character, capability and cause; one worth living for and even dying for.
