

## THE CASE OF THE MISSING FATHER

When I was growing up in the 1950's, there were TV shows like 'Father Knows Best', 'Leave it to Beaver' and 'My Three Sons'. In such shows, there was a respectable father figure who exhibited wisdom and loving authority. In the following decades, fathers were portrayed as bigoted in 'All in the Family' with Archie Bunker, or buffoonish in shows like 'Married with Children' and 'The Simpsons'.

**Family** is meant to be the **foundation of society** and **God** is supposed to be the **foundation of the family** with the **father** as the head. TV shows like 'The Waltons' ('72-'81) and 'Little House on the Prairie' ('74-'83) were wholesome examples of families that remembered to honor God. Even the TV series 'Blue Bloods' (2010- present) closed with the family at the dinner table saying grace at the meal for several years, but now that has been discontinued for some reason.

All of history is the story of God's good designs for all of creation and mankind being under attack by Lucifer, the shining one, who rebelled against God's authority and order. Lucifer became the 'adversary' **Satan**, author of **chaos** and confusion. Since being thrown out of heaven, he became active on earth, **seeking to destroy the foundations of society**. As a serpent, he has injected his poisonous venom wherever he can through whom he can. One of his key strategies is to attack heads, that is to get control of the thinking of **leaders** in various areas and institutions in society: Schools, universities, seminaries, religion, government, media, finance, courts etc. Why does America seem to be under so much attack? It is because we are the foremost leader nation, which has influence around the world. The way to **ruin** a country is to **remove God's influence** and to destroy the family by attacking the head of the family....the father.

***'If the foundations are destroyed, what can the righteous do?' - Psalm 11:3 NKJV***

***'The nations have sunk down in the pit they have made.....' - Psalm 9:15***

***'The wicked shall be turned into hell, and all the nations that forget God'***

***- Psalm 9:17***

***(Note how the most chaos today is taking place in U.S.cities run by those who promote policies contrary to God and his ways)***

***'Human history is the long terrible story of man trying to find something other than God which will make him happy.' - C.S. Lewis***

***'God only wants for us what we would want for ourselves if we were smart enough to want it.- Adrian Rogers '***

The majority of those who enter prison today are young men, in particular black men. Most of them have one thing in common, they come from homes where the father was missing, either in person or as a helpful role model. **A good father brings stability** to a family, not only emotionally but also financially. We see a breakdown in

society today because of a **breakdown in families due mainly** to **absent or abusive** fathers. Families without fathers have a poverty rate of nearly 50%, which is four times more than those who have both parents in the home.

(\* info from book 'Hearts of the Fathers' by Charles Crismier).

Before the 1960's the African American family was pretty much intact despite being poor and suffering discrimination. Today, over 70% of black children are born to unwed mothers. There are likely many reasons for the exodus of fathers from the family. The war on poverty and the Great Society programs under President LBJ may have had good intentions but there were unintended consequences from centralized government control. If a father was not in the house, the wife and kids would get more money from the government. The sex revolution, drugs, the occult, rebellion and the women's lib movement also were factors in the moral breakdown of the family. As time went on there were less good paying jobs for the less educated as manufacturing jobs went overseas. During the 60's and 70's, prayer, the Bible and God were removed from schools and other areas of society. However, none of this was by accident.

What happens in history is not accidental for God has good plans, but Satan has conspiracies as he finds groups and individuals through whom he can express his hatred towards God.

### ***Why do the nations rage and the people's plot in vain? - Psalm 2:1***

I spent the whole summer of 1993 in Russia in the middle of Siberia. Whenever I saw statues of Lenin, I would stop and just shake my fist at him and mutter these words: 'Look what you did to this country!' Communism is atheistic, authoritarian and demonic, which results in misery, hopelessness and poverty among the masses of people. Marxists have never given up on their goal of world domination, (In other messages we will discuss more fully the Luciferian conspiracy which goes all the way back to Nimrod at the time of Babylon and has taken form throughout history even unto this day through various groups.

In the 1970's I first learned about the reason many of the **super-capitalists** supported the Communist agenda. Years later I saw clear confirmation in the following book by David Rockefeller.

'Some even believe we are part of a **secret cabal** working against the best interests of the United States, characterizing my family and me as 'internationalists' and of **conspiring** with others around the world to build a more integrated global and economic structure - one world if you will. If that's the charge, I stand guilty and I am proud of it.' - David Rockefeller in his 2003 book *Memoirs* page 405

The art of 'projection' is when you blame others for something you are doing yourself. Those who accused our President of 'Russian collusion' in the 2016 election are the actual saboteurs themselves. Even more importantly, leftists in this country have been promoting socialist policies for the last 100 years. In 1958 Cleon Skousen wrote a book called **The Naked Communist**, which listed the **45 goals**

that the Communists had to infiltrate our country from within. Cleon had read the Bible and noticed now many conspiracies there were. He worked in the FBI and learned that FBI agents had infiltrated many Communist cells in the USA during the 30's, 40's and 50's and had discovered 45 different goals they had to destroy America. Here are just a few in abbreviated form. (Note: China is also Communist but the media and others no longer refer to them as 'Red' China for some reason,, although some do refer to them as the CCP, Chinese Communist Party

11. Promote the U.N. as the only hope for mankind. If its charter is rewritten, demand that it be set up as a **one world government** with its own independent forces.
16. Use technical decisions of the **courts** to weaken basic American institutions, by claiming their activities violate human rights.  
(ACLU was founded by atheist Roger Baldwin)
17. Get control of the schools Use them as transmission belts for **socialism**. Soften the curriculum. (Atheist John Dewey injected his 'progressive' ideas of humanism, socialism, globalism, and no absolutes into the education system)
25. Break down cultural standards of morality by **promoting pornography** and obscenity.
26. Present homosexuality, degeneracy and promiscuity as 'normal, natural and healthy'.  
(The Rockefeller foundation funded the inaccurate studies of Kinsey (a pedophile) who promoted sexual perversion)
40. **Discredit the family** as an institution. Encourage promiscuity and easy divorce.
41. Emphasize the need to **raise children away** from the negative influence of parents.
42. Create the impression that **violence and insurrection** are legitimate aspects of the American tradition. (Sadly, even politicians and media today praise the violent protests in our streets.)

Sol Alinsky wrote the book, **Rules For Radicals**.

It was dedicated to his wife Irene, however he seems to honor Lucifer.

'Lest we forget at least an over the shoulder **acknowledgment** to the very first radical: from all our legends, mythology, and history (and who is to know where mythology leaves off and history begins - or which is which) the first radical known to man who rebelled against the establishment and did it so effectively that he at least won his own kingdom'. - **Lucifer**

(Note: Alinsky was not a communist but believed in democracy and non-violence, but his purpose was to teach the have-nots how to take away from those who have.)

## **MY PURPOSE:**

1. **Encourage** believers in Jesus - Hebrews 3:12-14
2. **Expose** the fruitless deeds of darkness - Ephesians 5:11, Watchman  
- Ezekiel 33:3-6

A few decades ago, there was the “Jesus movement’ followed by the ‘Holy Spirit’ movement. It seems that now there has been a new emphasis on knowing God as Father. Of course we know that Jesus died to save us from our sins, for the wages of sin are death. However, he did all that so that he could **lead us back to the Father** in heaven. Before Jesus began his public ministry, his earthly father Joseph had died, so when Jesus spoke of his Father to his disciples and others, they would know that he was speaking of his Father in heaven, not Joseph.

The parable of the prodigal son is really about the **love of the Father** for a wayward son. It is also about us and how God wants us to come to the end of ourselves and come home to him. Children do best with a father and mother as parents who provide authority and affection. All humans need the Father in heaven who provides those qualities himself:

**The Good Father:** 1. **Authority**.....provision and protection  
2. **Affection**.....acceptance and affirmation

Jesus experienced that as he walked this earth. The Father often **expressed his pleasure** towards Jesus as a beloved Son, who honored, trusted and obeyed him and expressed his image to the world. The Father released his power through Jesus to the world by the Holy Spirit.

God desires to express his authority and affection towards us, just as he desires that every earthly family would have a father who does the same for his children.

**Prayer:** God...you are the good Father that the world needs to know and experience.

We ask that you would reveal yourself to families around the world and especially to the men who are absent, negligent or ignorant. You are superior in love, power and wisdom, so we declare that you are the only one who can solve the case of the missing fathers. Thanks. Through our advocate Jesus Christ, Amen
