

WHO IS THE CREATOR OF THE UNIVERSE?

We can answer that question through observation of the characteristics we see in the universe. As we list each one, we will then write the corresponding quality that is needed to create it. The basic list is from Dr. Carl Baugh in his series called: Creation in Symphony, the Model.

Who is the creator of the universe? None of the pagan deities of history qualify, but there is one who does, the God of the Bible! Scientists speak of a universe that is ever expanding and that has limitless space. The one who made it must be greater than this.....and He is!

God is infinite in extent -

*King Solomon wrote: The temple I am going to build will be great, because our God is greater than all other gods. But who is able to build a temple for him, since the heavens, **the highest heavens cannot contain him?** - 2 Chronicles 2:5,6*

Infinite = 1. lacking limits or bounds; extending beyond measure or comprehension; endless; immeasurable; hence,
2. very great; vast; immense; inexhaustible
- Webster's New World Dictionary College Edition 1960

This is why the Bible says that 'All things are possible with God' - Mark 10:27.
Although man is finite (limited), when he links up to God who is infinite, all things are possible when man believes (fully trusts) God. - Mark 9:23.

***All things are possible with God.
All things are possible to one who believes God.***

Needless to say, most Christians do not take advantage of that great truth, but we can be the remnant that believes God for greater things. It honors a God who is bigger and greater than we can imagine. He is the one who said:

Call to me and I will answer you, and tell you[and even show you] great and mighty things, [things which have been confined and hidden], which you do not know and understand and cannot distinguish.' Jeremiah 33:3 Amp.

***Now to Him who is able to [carry out His purpose and] do superabundantly more than all that we dare ask or think [infinitely beyond our greatest prayers, hopes or dreams], according to His power that is at work within us.
- Ephesians 3:20 Amplified Version***

WHOSE WORLD IS IT?

- ***It is God's world...He created it.***
- ***It is Satan's world...he corrupted it***
- ***It is Jesus' world...He conquered it***
- ***It is our world as Christians...if we claim it as joint-heirs with Jesus***
