

WHOSE WORLD?

The world has gone bad, mad and sad. What is going on? What we are witnessing is the attempted hostile takeover by forces under the influence of the initial rebel and ultimate tyrant known as the devil. His original plan was to take over God's throne but he was instantly cast down. God has pronounced his judgment.

*All your pomp has been brought down to the grave, along with the noise of your stringed instruments; maggots are spread out beneath you and worms cover you. How you have fallen from heaven, O morning star, son of the dawn! You have been cast down to the earth, you who once laid low the nations! **You said in your heart, 'I will ascend to heaven; I will raise my throne above the stars of God; I will sit enthroned on the mount of the assembly, on the utmost heights of the sacred mountain. I will ascend above the tops of the clouds; I will make myself like the Most High.'** But you are brought down to the grave, the depths of the pit. -Isaiah 14:11-14*

God saw the secret plan in Lucifer's heart. Nothing is hidden from God's view, including what is in the hearts of all mankind.

Nothing in all creation is hidden from God's sight. Everything is uncovered and laid bare before the eyes of Him to whom we must give account. - Hebrews 4:13

GOD'S WORLD

It is His world, He created it.

*In the beginning, God created the heavens and the earth - Genesis 1:1
God saw all that He had made and it was **very good.** - Genesis 1:31*

The earth is the Lord's and everything in it, the world and all who live in it. - Psalm 24:1

A person or company that invents something, knows the rightful purpose and use of that particular product. They will usually get a patent to secure the rights to their creation. Those who misuse the product will not get the intended benefits and those who seek to imitate or copy the original creation may face a lawsuit for copyright infringement. Violators may be prosecuted! God is the rightful owner of creation and all that it was designed to be. When He is in authority, the atmosphere is not bad or sad, but good and glad. God declares there are only two genders. Woe to those who call good evil and evil good - Isaiah 5:20

SATAN'S WORLD

He corrupted it.

The god of this age has blinded the minds of unbelievers, so that they cannot see the light of the gospel of the glory of Christ, who is the image of God. - 2 Corinthians 4:4

It is **very bad** wherever Satan rules and exerts his influence. We see this in all areas of society. He hates what God loves and loves what God hates. He distorts and perverts all that God has created or purposed. He binds people to slavery and blinds their minds to the goodness of God and his great purposes. He creates division and chaos. **His chief attack is on leaders of:**

* **Families** * **Churches** * **Governments** * **Schools** * **Seminaries** * **Media**
* **Entertainment** * **Sports** * **Health care** * **Finances** * **Arts**

Why is America under so much attack? We are a leading nation in the world and the last roadblock to Satan's global takeover of the world which is promoted by the U.N. and other globalist minded groups, elite oligarchs etc. **Satan seeks to preempt the predicted reign of Jesus over the whole earth.**

This attack has been going since its founding, but especially for the last 100 years. For several decades I have studied various areas of this attack. In July 2015 I wrote some messages about the threat of global economy, government and religion. Recently I listened to a good overview by Curtis Bowers of how America has been corrupted. In the coming messages we will be looking at various sectors of society and how we can be **agents of change** to counter the satanic agendas. Jesus tells to **'occupy 'til he comes'**. **Our business now is kingdom business.**

JESUS' WORLD **He conquered it. The world belongs to Him.**

Mankind's plight seemed hopeless 2000 years ago. The world was filled with violence, corruption and wickedness. Jesus came from heaven in the ultimate rescue operation. He conquered sin and His death, burial and resurrection were the victory blows against the forces of darkness. The victory was secured and won. Jesus will reign over the earth!

IT'S OUR WORLD **We must claim it**

We are joint heirs with Jesus to inherit the earth. We are here to enforce the victory of Calvary. Satan has been defeated, and is delusional to think that he will ultimately prevail against Jesus. Before the reign of Jesus is fully manifested, there will be many skirmishes with the forces of darkness as the battle for control of the world still rages on.

During World War 2 there were two key dates:

D-day June 6, 1944 - The outcome was essentially decided by the Allied forces on this long day of battle at Normandy. However, over the next year more lives were lost than at any other period of time during the war. The war finally ended on **V-day May 8, 1945** as the Allies accepted the

full surrender of the Germans and claimed full victory! How does this relate to the battle of the two spiritual kingdoms?

D-day The crucifixion of Jesus was the day the war was decided as Jesus delivered a death blow to Satan's evil kingdom.

V-day **The victory day is on its way when Jesus returns and all evil powers will be vanquished.** In the meantime, we will be involved with this clash of kingdoms, but our fight is victory assured warfare. The final chapters of the Bible give us courage and hope, for we are on the winning side.

Jesus is coming back for a gloriously radiant bride/church which has overcome this present age of darkness. - Ephesians 5:27, Revelation 19:6-8

In the coming months we will be adding more messages to the site. Thanks for checking in occasionally. This week I return to rural western NY state to reunite with my beloved friends who inspired me during the summer of 2014 to begin this writing ministry during that summer of prayer and revival.
