News from Charlotte and Neil

To all dancers:

Our C/W Caribbean Cruise is coming up fast. For those of you who will "miss the boat" this year, we'll be thinking of you while basking in the sun and sipping on our "tropical splendors" and occasionally getting out of the pool to do a two-step or the "San Juan Swizzel", a dance created just for the cruise, to work off some of the food we eat. I'm told it's a requirement on a cruise to eat about every two hours and still look good in a swimsuit (fat chance!!).

Neil and I have decided if we don't get deathly sea sick and have as much fun as we think we'll have, we're going to do it again next year. You see, we're novices; this being our first cruise. So start saving your spare change and plan on joining us (time of year T.B.A.).

Again, if you are not going with us, don't panic, our classes, Mon, Tues, and Weds, will be covered by Bill Jackson for the entire two weeks, Sept. 7 - 21. We're taking a second week to recover from the first week.

For those of you who didn't "miss the boat", we'll see you on board loaded down with sun screen and snorkle in hand.

Your Instructors at Swiss Park,
Charlotte and Neil
