BOOTS 'N' BUCKLES NEWSLETTER

Volume 10 Issue 8

It seems like this year is going by faster than the speed of light. It may seem a little early, but it's time to think about renewing your membership in Boots 'n' Buckles. In this issue of the Round Up you will find an application form. Please take a few minutes to fill it in and either mail it back to us, or bring it with you to a Friday night dance.

We run our membership year from October 1 through September 30 because the insurance premium is due in November. To determine the rate, we must provide the number of members and a list of their names along with the per-person fee and a processing fee. It takes the Membership/Insurance board member (Bill Parrish) a couple of weeks to assemble the list and fill in and file the forms. Each time we add members, we pay the per-person fee and an additional processing fee. You can save the club money by renewing your membership before September 30, 2000.

The dues this year remain at \$15.00; one of the best deals in the area. Not only will you continue to receive your monthly issue of the Round Up, but you also will continue to receive \$2.00 off the regular admission fee each Friday night, plus you get into one dance free in the month of your birth. In addition, other clubs occasionally offer a discount off their admission fee when you show your Boots 'n' Buckles membership card.

Club members continue to receive discounts at local businesses. We currently enjoy this privilege at the Hub Shoe Repair and Western Wear and at the Western Outfitters locations in Livermore (Baughman's) and Pleasanton (Christensen's). Jack Robertson is working hard to get at least one

more 'sponsor' and we will do our best to get more businesses to offer discounts to club members. If you know of a business near your home that might be willing to participate in this program, please let any board member know who they are. We will see what we can do to "sign them up"!

This year, we have designed a new look to the membership card, and it will be laminated so that the ink doesn't come off on the plastic window in your wallet! I am sure you will like the new look.

We will be verifying membership starting on the first Friday dance in October (10/6). Non-club members will be required to pay the non-member rate when entering the dance. Of course, you can renew your membership that night and pay the member's entrance fee along with your renewal fee.

One last item: the club has it's own e-mail address. It is bootsnbuckles@hotmail.com. Any board member can access the mail and we will be checking it regularly. We look forward to hearing from you and we will answer your questions as quickly as possible.

See you on Friday!

The Treasurer Sez . . . Well, half the year has

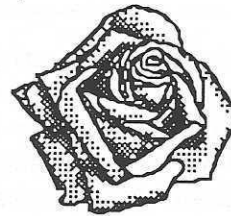

already flown by, and the 4th Annual Boots N Buckles Dance Workshop is a thing of the past. As expected, the workshop put the club finances back in the black with a profit of \$1,442.93, so it was a great success any way you want to look at it.

Two of the five Friday night dances for June were also profitable, but we finished the month with a loss of \$171.50 on our weekly dances. If you don't count the fact that we paid rent twice in June, we ended the month with a profit of \$121.51. You are probably thinking that that doesn't seem like much considering the workshop was such a success. You have to remember however, that most of our workshop revenue came in during the months of April and May, but all of our expenses for the workshop fell in the month of June. For the year-to-date figure, the club has made a profit of \$330.33.

All things considered, June was a great month, and I hope all of you will mark June 2nd on your 2001 calendar, as that is the date for next year's workshop. Let's keep those feet dancing.

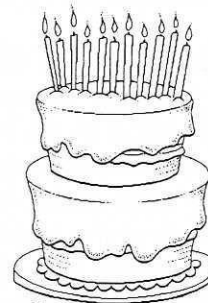

I want to extend a *warm welcome* to a group of newly joined members. They are formerly members of the famous and recently closed Cowboy Country Club in Pleasanton. They are the beautiful Norma Borgeson, the handsome couple Pete and Jonnelle Iversen, graceful Jill Cooper, Lisa Mcguire and Debbie Kachalkin (and any others that I have failed to mention). It is a pleasure and fun to watch them dance. They have an energetic flair and dance with ease and choreographic flow. They zip into Swiss Park classes and Friday dances in a mini van. You can see they are good friends. We welcome you all with open arms.

Our deepest sympathy to you, Kathy Martin, on the loss of your father

I cannot say, and will not say
That he is dead. He is just away.
With a cheery smile, and a wave of the hand,
He has wandered into an unknown land,
Think of him faring on, as dear
In the love of There as the love of Here.
Think of him still the same. I say,
He is not dead - he is just away.
