Did Ya All Know that the New Year's celebrations were once a religious observance in the spring to mark the start of a new agricultural season. 4000 years ago, the Babylonians made resolutions a part of their celebrations. Their favorites were to pay off outstanding debts and to return all borrowed farming tools and household utensils. Have you made yours for 2002 yet???

Editor's note: It won't be the same without you, Bill. The Roundup needs a new "Tidbit" writer(s). We love to hear what is happening with our members. If you want to be a tidbit writer, contact any board member by phone or email (bootsnbuckles@hotmail.com) or me (mystyide@aol.com). Thanks, Judi Grater

November was an absolutely terrific month for Boots 'n' Buckles this year. The club showed a profit at each of the five dances during the month, with the total for the month equaling \$791. Christmas dinner ticket sales were also strong, and that brought in an additional \$1700 in revenue for the month. Once again the expenses were rather low, with less than \$100 going toward postage and supplies, and \$1300 for rent. The final figure for the month was a profit of \$3562.69, but a significant portion of that money will go out in December when we pay Swiss Park for the Christmas Dinner. Never the less, November was a truly stellar month, and our year to date profit after November was \$4640.77. That pumped up our bank account to a total of \$15,169.43, so I'd say the club is in a very sound state to start out the New Year.

This is my last report as Treasurer of Boots 'n' Buckles Dance Club, but that doesn't mean you've seen the last of me. I'll be out there dancing up a storm (after I take some classes) just like the rest of you. Best wishes to you all for a healthy and prosperous New Year.

Lynette Webber

Charlotte Skeeters is on vacation and has informed me that there will not be a printed schedule for January until she returns. The first Monday night class of 2002 will be January 7 - Surprise, Surprise!! Wednesday night's first class will be January 9. Ya all will just have to come to find out what dances will be taught . . .

Happy Birthday
to You . . .

If you have not already met Helen Phillips, you will soon. Helen has graciously volunteered to be Boots 'n' Buckles President for 2002 and if you liked Bob Webber's jokes, you will love Helen's. In fact, rumor has it that some of Bob's jokes may have come from Helen. You can spot Helen's table at Boots 'n' Buckles - it's the table with the cashews on it. There is a story behind the cashews but I probably should not print it. I am sure Helen or Dolores Meeks will be happy to share it if you ask them and you should because it is very interesting. It has something to do with how cashews help to build strong bodies, just to give you a hint.

Born in North Bergen, New Jersey, there is still a slight Jersey accent when she talks. Helen comes from a family of thirteen children of which she is the baby. Helen has 5 sisters and 7 brothers who were all quite a bit older than she. Today, there are only two sisters surviving and Helen says she loves it when her sister Eileen comes to visit from New Jersey because they have so much fun together. Once you get to know Helen, it's understandable that "fun" will always happen when you are around her.

Helen went to North Bergen High School and met her husband, Dennis while working with his brother who introduced them. Her hobbies were roller skating and dancing. Helen and Dennis have 3 children, a daughter and 2 sons. Her daughter, Dawn is married and has an 8 month old son named Ryan. Her son Brian has 2 children, Michael who is 8 and Brannon who is 2 1/2. Larry is single.

Helen is self-employed as a domestic cleaning specialist. Her hobbies now include making porcelain dolls, eating cashews and, of course, line dancing. Since line dancing has become the main objective, the porcelain dolls have been put on hold until Helen decides to give up dancing which she began approximately 4 years ago. The cashews fit in so they will stay. Helen says she always enjoyed watching dancers at different fairs and wanted to learn how to dance herself. One day she spotted an ad in The Los Gatos Weekly about lessons being held at the Los Gatos Community Center, and the rest is history. Boots 'n' Buckles is proud to have someone like Helen to represent our Club and she will be a great asset to our Board. We are looking forward to a prosperous 2002 We will truly miss Bob Webber as our fearless, intolerable leader, but Helen is ready for the challenge. Overseeing a Board of 95% women, I hear Helen chanting; "I am woman, hear me roar." Thanks Helen for stepping up to help us make this the best line dance club ever.

*You don't have to tell how you live each day,
You don't have to say if you work or play,
A tried, true barometer serves in the place
However you live, it will show in your face.*

*If your life is unselfish, if for others you live
For not what you get, but for how much you can give,
If you live close to God, in His infinite grace,
You don't have to tell it, it shows in your face.*
