JULY, 2000

## BOOTS 'N' BUCKLES NEWSLETTER

Volume 10 Issue 7

WOW! That's the first word that comes to mind after our Fourth Annual Workshop and Social. First off, Mother Nature smiled on us with an absolutely perfect day. Several early arrivals to the dance hall complained about it being too cold, but I knew that once all 121 ticket holders showed up, it would warm up. It never got uncomfortably hot, but it may have approached a "very warm" status. We were ready with seven fans strategically placed in several nooks and crannies. Fortunately, we only had to turn on three or four.

Next, I want to thank everyone who came to the event. The club not only appreciates your support, but also needs this support to carry us through the rest of the year. While attendance at our regular Friday night dances has been okay, we haven't been making a profit at most of these dances. The workshop should keep us financially in the black through the end of the year.

This year we formed a committee to help collect door prize donations from businesses in the area. When you see them, please give Jim Frederick, Lee Thompson, Donna Ginnelly, and Lynette Webber a giant THANK YOU for collecting 111 door prizes! Last year we had door prizes for two-thirds of the dancers. This year I wanted to get prizes for 75 % of the dancers. This goal was far exceeded (almost 92%) due to the efforts of the four dedicated people who gave up hours of their free time to help the club. Who were the lucky winners? See the list of winners page in this newsletter.

If you want to know what businesses supported the club this year, please see the list of "Door Prize Donators" on a separate page in this newsletter. Remember to support these businesses and to let the manager know that you are from Boots 'n' Buckles and appreciate their generous contributions to your club.

The day seemed to fly by as we had nine world-class instructors teaching ten terrific dances, one right after the other. Many of the instructors donated their fee back to the club, for which the Board of Directors

speaking on behalf of the entire club membership and supporters want to say THANK YOU! I would like everyone to personally thank every instructor for his or her time in support of the club when you see them. A list of the instructors and the dances taught are on a separate page in this newsletter.

One of the biggest "hidden" supporters of Boots 'n' Buckles is our DJ, Bob Hubbard. Bob is the type of person that you may not notice unless he is not there. He does his job with such quiet professionalism that he is sometimes 'invisible'. Bob arrived at Swiss Park early (11:00 AM) and stayed until after 11:30 PM. He made sure he had the right music queued up and ready when needed, made sure he got copies of the dance instructions, made sure that he added the music to his extensive collection so that we could continue to dance the dances learned that day long after the workshop is over, and made sure he repeated all of the dances that night during the "Social" part of the program. Thank you, Bob, for everything you do for the club.

I don't know how many of you were fortunate enough to eat dinner at Swiss Park, but I have heard that somewhere between 70 and 80 enjoyed the fabulous meals. I had the ribs and they were super. Everyone who had the chicken raved over that meal. And, of course, everything else was just great. The kitchen staff did an excellent job getting us all fed in a very reasonable amount of time. Please remember to let Bob Shans know how much you enjoyed his cooking.

He is ready to serve you a meal before our regular Friday night dances. If you are running late on a Friday, come by Swiss Park and eat dinner at the dance hall. Also, keep in mind that Bob is the one who prepares our annual Christmas dinner so you might want to make plans now to attend that event at the end of the year.

I am embarrassed to report that I don't know who lent us the nifty decorations that adorned the hall. Humbly, I will tell you that I created the signs and banners, but they were set off nicely with the hats, boots, and skirts that appeared around 11:15 on the morning of the workshop, along with a number of people who helped place them on the walls. There were many other people who helped us set up the hall for the day, helped get the tables set up for dinner, and helped clean up at the end of the evening. Without your many hands (and backs) it would have taken the Board a lot longer to get everything ready. I didn't have time to get all of your names, but you know who you are, and to you I extend a personal THANK YOU!

Finally, I want to thank every member of the Board of Directors. Each of us played an integral part in the success of the day. I am extremely fortunate and privileged to work with a dedicated, harmonious group of people who are concerned about bringing the club members the highest quality we can to every club activity. Sue van Wambeek is our decorations committee chairwoman and she helped organize the decorations. I designed and printed the tickets and signs, lead the donation committee, and coordinated the distribution of the door prizes every hour. Lynette Webber handled the financial aspects of the entire event (accounting for the ticket sales, rental fees, instructor payment, and all of the rest). Jack Robertson provided the coolers for the bottles of water, got the ice for them, supplied several large fans, loaned us the fencing/railings for the Evening Star sales area, and single-handedly got us the water bottles each dancer received when he/she arrived. Kathy Martin organized the dance instructors and merchandise sales. Bill Parrish, Josie Kirth, and Alice Wong, along with all of the Board of Directors, helped with ticket sales, set up, promotion, watched the ticket window throughout the day and evening, and donated items for door prizes.

All in all, it took a lot of effort by a number of people to make the day a huge success. Thank you all, again.

See you on Friday.

Bob Webber bob\_webber@msn.com

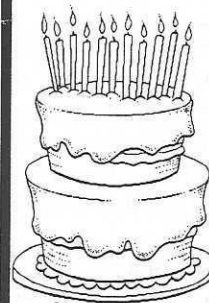

## The Treasurer Sez ...

Once again the Friday night dances were not particularly profitable during May.

We lost money at three of the four Friday night dances, but the third dance of the month was a big success and nearly made up for all the other losses. We ended the month losing only \$45 during our weekly dances. Workshop ticket sales were very strong during the month however, which resulted in an additional \$858 in revenue. That, coupled with the fact that we paid May's rent during the last week of April, lead to a final profit of \$2001 for the month.

Speaking of the workshop, it was a rousing success, both socially and financially. The combined revenue from ticket, raffle, and water sales totaled \$2996.50, and total expenses were \$1434.97 including the refund of one ticket. The resulting profit was a grand total of \$1531.53, which will definitely help keep the club in the black for the year. I want to thank all the workshop attendees, instructors, Bob Hubbard, the donation committee, and my fellow board members for making the 4th Annual Workshop and Social such a wonderful success.

## KATHY'S KORRAL

### Inspirational People Who Have Touched My Life

Once again, Boots 'N' Buckles celebrated a fun Birthday month in May. Keeping up with our "party" tradition we began celebrating with Dolores Meeks. Dolores loves pink..... and purple..... and well I won't go any further but her cake, napkins, eating utensils and her outfit were all pink

If the name is not familiar to you, just look about the dance floor and you will see a lovely lady having the time of her life dancing and conversing with friends from the "South Bay Country Dancers" as well as her North Bay friends at "Boots 'N' Buckles. Dolores was also our First prize winner at last year's Halloween Party when she overwhelmed us as "Raggedy Ann". Dolores is one very special lady who we are honored to have as a member of our club. Cake was in abundance and then we also celebrated Neil Hale's Birthday as well as Bob Hipskind's official retirement. Bob keeps threatening us with his retirement but I think this may be official - since we did have cake. Food, fun, laughter, dancing and friends is what we are all about. Hopefully you will enjoy the next inserts which were sent to me from a dear friend who is almost 90 years old and living in a retirement home. She too, has been an inspiration in my life.

### EVERYTHING I NEED TO KNOW.. I LEARNED FROM NOAH'S ARK

- One--Don't miss the boat.
- Two--Remember that we are all in the same boat.
- Three--Plan ahead. It wasn't raining when Noah built the Ark.
- Four--Stay fit. When you're 600 years old, someone may ask you to do something, 'really' big.
- Five--Don't listen to critics; just get on with the job that needs to be done.
- Six--Build your future on high ground.
- Seven--For safety's sake, travel in pairs.
- Eight--Speed isn't always an advantage -- The snails were on board with the Cheetahs.
- Nine--When you're stressed, float awhile.
- Ten--Remember, the Ark was built by amateurs; the Titanic by professionals.
- Eleven--No matter the storm, when you are with God, there's always a rainbow waiting.

### ON BEING "OLDER"

- "Old" is when your friends compliment you on your new alligator>shoes and you're barefoot.
- "Old" is when your doctor doesn't give you x-rays anymore but just holds you up to the light
- "Old" is when a sexy babe catches your fancy and your pace-maker>opens the garage door nearest you.
- "Old" is when you remember when the Dead Sea was only sick.
