## OUR MUSIC MAN

Ever wonder who it is that plays music for our dances week after week? Meet Bob Hubbard! Bob is from the Bay Area, born in San Francisco and presently lives in San Leandro with his wife Jeanette.

Bob spends his days working for Hayward Dodge as an auto mechanic. His "free time" is spent playing music for others to enjoy. Bobs' DJ business is called Mother Hubbards Mobile Music. Bob has a huge music collection - over 200 records, 1500 45s, and 1500 LPs. His collection covers from early recorded sounds to the present. Bob plays for us every Friday night and usually follows that with another gig or two each weekend.

Bob developed a taste for country music by listening to KFAT. He acted as DJ for the early dance groups at such places as the Rondesvous, The Mission Gardens and Wednesday nights at Swiss Park. When Boots 'N Buckles was formed, Bob continued as DJ and is with us still.

Bobs goal is "to produce the best, most entertaining evening for dancers". Stop at Bobs area to say hello and let him know what you would like to hear.

## KIDS ARE WELCOME - BUT...

Monday and Wednesday evening dance lessons at Swiss Park have become a favorite pastime for many of us, and I'm sure that we would all like to continue as we are for as long as possible.

Recently, though, the Board of Directors at Swiss Park has warned us that, if certain things go uncorrected, we may not be able to continue there. These, of course, are very justifiable concerns and they will require the co-operation of all of us if we are to continue.

Please therefore:

1. Do not bring any food or drink into Swiss Park unless they are bought at the bar.
2. Do not drop children off or leave them unattended at dance lessons.
3. Do not allow children or those under 21 years of age into the bar area or parking lot, except for passing through or males using the restroom.
4. Also, if you are returning to the bar area, please bus empty glasses and bottles back to the bar to insure an adequate supply of glasses. Do not throw bottles in trash can as they must be accounted for.

Please be advised that this situation pertains only to Monday and Wednesday evening lessons and has nothing to do with Friday night dances - although I'm sure the same rules apply.

Your continued support in adhering to these rules is absolutely necessary if we are to continue using Swiss Park for our dance lessons.

Thanks for your co-operation, Neil Hale

### SPECIAL DANCE INSTRUCTORS TO BE AT SWISS PARK

Swiss Park Dance Lessons is proud to host special guest instructors, **Val Timberlake** and **LuRhe Kerkhof** on June 13, and **Mike and Mary Griffin** on June 20.

Val and LuRhe will be teaching the waltz moves that have made them champions in all of the competitions they have entered since they began competing less than a year ago. This class is on a Monday evening, advanced, but we also are inviting any beginning class members who know the basic steps to attend this very special one hour class.

On the following Monday, Mike and Mary Griffin will be teaching intermediate/advanced schottische turns. This class, also, is recommended for anyone who knows the basic step pattern.

**On Monday, July 4, there will be no class at Swiss Park.**

### WE NEED YOUR HELP

The Boots and Buckles Board of Directors has decided to set up an Operations Committee. This committee will be responsible for helping put on the dances and deciding what other activities the club will organize. Please determine how much time you can devote to our club and fill out the volunteer sheet.

The Friday dances require about 30 minutes to set up and about 15 minutes for clean up.

Mail to Boots 'N Buckles or drop off at Dance
