PRESIDENT'S MESSAGE

Hey there, Hi there, Ahoy Mates-

I am on my way to Alaska with 60 other line dancers. What fun it will be. We will have 2 hours of darkness and that sounds crazy but it will be interesting to see how they live with 22 hours of day light. I will keep a log and let you know how we all survived and how much we danced.

Also June is coming up, we need you to register for our June 17th workshop. Some top instructors coming and we want to show them how much we all love to dance. They will be here at Swiss Park on Friday the 16th... *Bracken Ellis*, choreographer of 'Under Your Spell' will be teaching a dance that you won't want to miss. *JP Potter*, choreographer of 'Deja Vu' and 'Everlast', will also be here. You don't want to miss them teaching on Saturday at our workshop. Our Tote Bags will be on sale and our vendor Irene of Ville De Paris will be there with clips for the hair, bracelets and watches and many more items. She has such beautiful jewelry with good prices too. The deadline for the shirts has past, however we will have some extras for those who missed the deadline. Get that registration in soon so you don't miss out on this top event. Those of you who have never been to an event should come to see what it is all about and what fun it is. We have many things planned for you with a wonderful barbeque dinner and dancing with

top choreographers. Glenn and Carole are working on some surprises for all of you.

I'll see you on June 2nd for some Friday night dancing but don't expect to see me with a tan.

Keep dancing and smiling

Bonnie Sayre, President of Boots 'n' Buckles Dance Club

Treasurer's Report - Overview for May 2006

Below are the financial statements for the club as of the end of May 2006. Due to a large number of registrations payments received for the June workshop event, the club had net income of over \$1,350 this month leaving year-to-date net income of over \$1,500. Since all of the expenses for the workshop will be paid in June, most of this \$1,500 net income is earmarked for workshop expenses and I expect net income will be closer to breaking even for the year at the end of June.

Since the club's total cash has consistently stayed over \$10,000 over the last year, the club's board approved investing \$10,000 in a risk-free, 5-month CD with Bank of America. This CD, which has a an APR of 4.00%, can be cashed out at any time without penalty or loss of interest should the club ever have a need for the money. Fortunately, given that the club had almost \$2,250 in cash at the end of May, such action is not likely to happen during the CD's term. - Patrick Luby, Treasurer
