

THE ROUNDUP

Newsletter for Boots "N" Buckles

March 1990

Presidents Message

Hi everyone, it is time for another Monthly report. This month we had a very special birthday - **Mary Hendricks** celebrated her 70th birthday with us! We had cake and presented Mary with a pass for one year of free dancing at Boots 'N Buckles. She then danced her favorite dance, the swing, with one of her first students, Robert Royston. Mary is one of the founders of Boots 'N Buckles.

On March 9th we will be having a Dance Demonstration by many of our competition dancers. Plan on attending this special event. The weekend of March 17 and 18 these same people will be competing in Santa Rosa at the **5th Annual North Bay International**. Try to attend this competition and support our dancers. You can ask anyone on the Board or any of the dancers for information on this event.

Miller Stockman Western Wear Store has provided discount cards for all B 'N B members. You can pick up your card at the door.

Due to a mixup with Swiss Park our March 2 dance was canceled. They have agreed to reschedule that dance on **SATURDAY, JUNE 2**. Mark this date on your calendar as it will be a special event. Watch for details in the newsletter.

I would like to thank everyone once again for your support. If anyone has any suggestions or special requests, please let me know.

I hope everyone has a happy and pleasant month.

Shirley Johnson

Club News

Valentines Dance

The Boots 'N Buckles Valentines Dance was a great success! Many thanks to the group who put together the fabulous decorations and the great food for the Valentines Dance. The committee included: Jan & Al Barabe, Karen & Gail Cone, Karen & John Flatbush, Karylene Stoker, Corky Walker and Cindy Vincent. A great big thanks, too, for the help with clean up.

Search for Band

We are always looking for the names of live bands that we can hire for our special dances. If anyone should hear a good local C.W. band, please get a business card or phone number and give it to Bill Jackson at the door.
