MEMBERSHIP DRIVE

March is our annual membership drive month. This year we are doing things a little different. In this newsletter you will find a form for renewing your Boots 'n' Buckles membership. Your membership will only go from March until October. Then in October we will have another membership drive that will be for one year. So in other words your membership in October will be good for one year. This needs to be done for insurance purposes. We would greatly appreciate your cooperation in this matter and please do not pay for March through October and from October to October, it is too confusing for the Treasurer. Your cooperation is greatly appreciated and your renewal is also appreciated. Thanks again.
