### Presidents Message

Hill Fellow Club Members,  
As the holiday season is quickly approaching, I have been thinking alot about Thanksgiving and some of the things I am thankful for. I am very thankful for the love of my God, my family and the many friends here at Swiss park. It is one place where we can come and feel like we are at a family gathering. I have been a member of this dance club for the last four years and there have been many times when you have been a great lift to me. Not only do we dance together, but we care for each other, and I am very thankful for that. I am very honored to be your president and am thankful for your support and your friendship. I hope all of you have a very very happy Thanksgiving.  
See You At Swiss Park!!

### COWABUNGA DUDES!! IT WAS A KODAK MOMENT

Producer Neil Hale brought to B&B a Halloween dance production to be rivaled only by those on Broadway!!

Skeletons came alive on stage at Swiss Park!!! The tune "Nightime Theme Song" brought to life Lori Bradshaw, Sherry Cortney, Rick Russo and Dave West as skeletons to dance down Main Street led by the vampire, Neil Hale.

The Dutches of the night, Charlette Skeeter, showed the Vampire, Neil Hale, a thing or two about dancing. The danced a very stylized tango to the song "Out of Time".

A dance off between the "Gangs" - The Middle-Aged Mutant Ninja Turtles (Jan Barabe, Lori Bradshaw, Gail Cone, Cindy Vincent and Corky Walker) defending the Frog (George Matt), who was attacked by Monster Gang Leader Karlene Stoker and her Kreeps (Terry Stoker, Carolyn Vinal, John Flatbush and Al Barabe) was done to (Bad) by Michael Jackson (Neil Hale).

The Cast presented to Neil Hale, the Producer / Director of the show a little remembrance gift -- a stuffed Ninja Turtle and an encore performance familiar to many who have been to recent dance competitions.

Many thanks to Bill Jackson, Judy Grater and Bruce Brazil for a great job on the stage lighting.

Many hours of work were put in by many people to bring this production to us. Hours of practice, costume design and sewing, set design, construction and painting, stage lighting and decoration. Many hours of discussion and debate, hair pulling and chest beating. Many nights and week-ends devoted to dance design. Many hours of teasing and laughter, of eating and drinking. Many hours of being together - working, having fun and forming a bond.

Many thanks to all those named but especially those unnamed people who gave B&B a great musical show--- looking forward to the next endeavor - never say never !!!
