BOOTS 'N' BUCKLES NEWSLETTER

Volume 10 Issue 10

I have several items to talk about this month. First of all, as I'm writing this, we have had just a little under 50% of the current members renew their member-

ship (about 72 out of 136) We expect a rush of applications near the end of the month either at the door or through the mail. If you haven't renewed, this will be your last Roundup. To make sure your membership privileges continue uninterrupted, please get your application and check for \$15 per member into us as soon as possible. We will be checking our membership list or you will have to show your 2001 membership card to get in at the member's cost on October 6. We currently have two (or three, depending on how you look at it) sponsors who offer discounts when you show your membership card. See their business cards in each Roundup. Enough about that, let's talk about the "Oldies Night" coming up on October 13. Please make sure you get your list of favorite oldie dances in to us by Oct. 6. Between 9:00 and 10:00 we will be interspersing your top choices in between the newer and couples dances. This is one of my favorite nights of the year as I get to dance so much because I know more of the older dances than I do the newer ones. If you haven't been to one of our dances in a while because you don't dance much, this would be a good night to visit us to shake the dust off those ol 'dancin' boots. I hope to see you

there. Also there is a ballot for the Board of Directors somewhere in this issue of the roundup. **IT IS EXTREMELY IMPORTANT THAT YOU TAKE THE TIME TO VOTE FOR THE BOOTS 'N' BUCKLES BOARD OF DIRECTORS MEMBERS!** (Sorry for shouting, but I was hoping to get your attention). At the September 19 board meeting, The current members all agreed to stay on the board for one more year. Several members hinted that this would be the last year they will serve. It is very important, for the club to stay in business in 2002, that we get new board members now so that they can learn about the various duties on the board over the coming year. We are in very good shape for the current year (2001) because the current members agreed to serve one more year. If you have ever considered and then rejected the thought about being on the board, I am asking that you reconsider and volunteer, or vote another dance club member on to the board. I must remind you that the only requirement to be eligible for the board is that you must be a current member of the club. This is the only requirement. If you've never done anything like this before, keep in mind that none of the current board members "did this" before they joined the board. We all learned as we went along and relied on the existing board members to teach us about our responsibilities. Lastly, please remember to wear a costume to our highly popular Halloween dance on October 27 (and bring finger food to share). This year we will have our usual "parade of costumes" and will be awarding prizes in four categories: Funniest, Scariest, Most Original, and Best Couple. (This is another of my favorite nights of the year.) I am looking forward to seeing you there!

August was a great month for Boots 'N' Buckles, and for the first time all year, we made a profit at every Friday night dance during the month. Granted some weeks did not show a big profit, but the dance profit figure for the month was \$198. An added bonus for the month was the fact that our annual membership drive was kicked off in August, and that brought in an additional \$775 for the month. Our expenses were very low in August, and the rent was actually paid at the end of July, so we ended the month with an overall profit of \$1930.93. That lead to our year-to-date profit of \$1896.26, which is right on target with our profitability status for 1999. Let's keep on dancing and keep our club thriving.

2001 Ballot

Board of Directors

In accordance with the current bylaws, the club must hold annual elections for members for the board of directors. This ballot defines the twelve positions, who is the incumbent, if that incumbent is eligible to remain in the position, and the names of the other club members who have volunteered for the position. There is also a place for printing in a name of a candidate for the position. Please circle the name of the person for whom you are voting and return the ballot to any current board member or to the Boots 'n' Buckles cashier on or before December 1, 2000. **PLEASE EXERCISE YOUR RIGHT TO VOTE! THIS IS VERY IMPORTANT TO THE CLUB.**

It is important that you vote for these important positions. The bylaws provide for twelve board members, with the first four listed as mandatory. Currently we have only eight positions filled, and one mandatory position open. We must fill this position or we will be in violation of our own Bylaws. We must have some club members volunteer to be on the Board of Directors, especially for the Secretary position. **PLEASE EXERCISE YOUR RIGHT TO VOTE! THIS IS VERY IMPORTANT TO THE CLUB.**
