## B 'N B SUMMER FUN

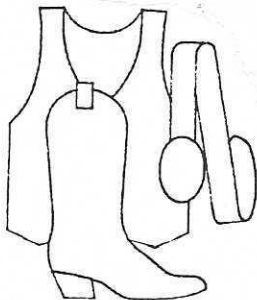

"Hot Fun In The Summertime"

The Boots 'N Buckles dance at Buck Norred Ranch on August 28 was a great success! The day was hot, the music was hot, and the dancing was hot! Dancers from several clubs were represented - Boots 'N Buckles, The Country Quick Steppers, and Buvette Hall - plus other people who were out for a good time.

The covered dance floor was large and smooth and a delightful breeze helped to make everyone more comfortable. The Don Cox Band played our favorite music and took requests as well. When the band took a break, Sharon and Paul Pina played recorded music and kept us from slowing down! Sharon and Paul offered dance lessons before the regular dance and for the children so they could perform at a break.

Drinks and hot dogs were free with admission, and were mighty welcome. Those of you who did not attend missed seeing your president dancing in boots and shorts - quite a sight!! The BuckNorred Ranch was a wonderful place to dance and it was fun to share a good time in a new location.

Look for future outings sponsored by Boots 'N Buckles.

## SWISS PARK LESSONS

Recent events at Swiss Park Dance Lessons have necessitated our taking certain measures to make things more secure for those of you who attend.

Our intention is to totally eliminate bandits and other riff-raff from slithering into our dance lessons with intentions in contrast to what the spirit of Country Western Dancing is all about.

You will notice a table immediately upon entry from which I will be attending the music, and more importantly, watching the door. This could possibly cause a bottleneck of traffic on certain occasions, but we decided this was the best plan.

Other doors will have to remain closed at the beginning of the evening. Later in the evening, or if it gets too warm, I will open either or both. We ask that you enter through the bar door.

We hope that by taking these and other measures, the problems we have been encountering will remain invisible to you. Please let Charlotte or me know if you see anyone who may be disruptive to our program.

On October 10, SWISS PARK DANCE LESSONS will feature guest instructor and choreographer, **Dave West**, who will teach us his best award-winning, Waltz moves. Then in November, Grand Champion choreographer **Rich Small**, will be with us for a very special two hour class on styling and technique.

## GET UP AND DANCE

OK all you dancers - get up and dance! The kids are going back to school, your summer activities are drawing to a close, and it's time to think about dancing again. Now is a good time to check the recreation schedules in your area to see where you can take classes to brush up on your steps.
