## HOW DO I HOLD A DATE?

To hold a date, you need to contact our Venue Manager Lia. If the date is available, we will offer a 7-day soft hold while details are discussed, and a contract is generated. In the event that another party is interested in the venue before we receive these items, we will offer you a deadline to submit the contract and deposit before releasing the hold to the other party. If the date you requested has an existing hold, we will offer the previous party a deadline and then contact you when the deadline is over.
