FROM WATER COMES ORIGINALITY

Water flows through the story of Davidoff Escurio. A cigar kissed by the rains and born in the Brazilian Todos os Santos Bay. The climate gives Escurio its distinctive sweet original taste and rich aroma. Notes of salt and spice to give you flavours that exhilarate.

Only the Davidoff Master Blenders could take on the power of nature and blend it into a range of exceptional cigars with distinct flavours.

THE DAVIDOFF YAMASA STORY

FROM EARTH COMES COMPLEXITY

The rich, red soil of the Yamasá valley was a challenge for the Davidoff farmers and Master Blenders. Yet 20 years of dedication moulded those earthy and spicy flavours into a complex masterpiece. It is a small miracle that such an enjoyment rose from the earth.

Only the Davidoff Master Blenders could take on the power of nature and blend it into a range of exceptional cigars with distinct flavours.

The Late Hour Series Taste Experience

Even when the lights went down, Winston Churchill continued to inspire those around him. It was then, after a full day as the political leader of an empire, a great negotiator at dinner tables as well as conferences, that he wrote his famous speeches and books – often while enjoying a cigar. His versatile character is mirrored in the «The Late Hour Series». The intense and complex multi-origin blend creates a taste experience as deep and inspiring as Churchill's evening routine.

ROYAL RELEASE

NOT ALL CIGARS ARE CREATED EQUALLY

A moment spent savouring the new Royal Release cigar from Davidoff is not as others. You realize in one beautiful instant that this is the product of a very privileged upbringing. From seed to cigar, every ingredient has been singled out for special treatment.

First selection. Then affection. Then perfection.

The perfect blend. Chosen by a process of painstaking refinement and selection which leaves no room for the merely "very good". For to be Royal is to be one of a kind. A complexity and balance which sets the Royal Release apart. A stimulation of the senses which rises high above the ordinary. A most uncommon experience.

Time beautifully and royally filled. To inherit the title of Davidoff Royal Release, the journey from seed to cigar takes 10 years. Harvested separately from other crops, and cured in the Royal Barn. Our Head Master Blender ensures that color, texture, aromas and later burn, are all monitored to ensure the standards demanded of a Royal are met. Bales given the Royal stamp are then left for 8 years of aging so they age to perfection. Throughout this time, they're lavished with ideal temperature, light and humidity needed to create a cigar of such regal elegance. Everything about a Davidoff Royal Release is handpicked, including the hands that roll them. 8 of our finest rollers were given the task of using their combined skill and knowledge in crafting and creating a Davidoff cigar the like of which no one has seen, held or tasted before. The Aromatica Dominicana wrapper has been chosen especially for its extraordinary beauty and shine. A wrapper specially reserved for our Royal Release line only, and won't appear on any other Davidoff Cigar. The cigar delights the palate from the first puff with elegantly smooth flavors of oak wood, leather and fresh spices, along with notes of sweet corn and milk chocolate with a creamy aftertaste.
