

Annual Showcase & Awards Night 2026

Dear Students & Families,

Our next Annual Studio Showcase & Awards Night will be held on **Tuesday, October 20th at 6:30 PM** at the 2nd St. Performing Arts Center, located at 1123 2nd St., Wyandotte, MI 48192. Admission for family and friends is **free**, and I hope you'll join us for an evening celebrating students' hard work and accomplishments!

There is a **\$25 participation fee** to help cover event and award expenses. This fee allows a student to participate in one performance category. Students are welcome to perform in as many categories as they would like, with an additional \$10 fee for each extra category. For example, a student performing in two categories would pay \$35. **Participation confirmation and payment are due by September 1st** so that awards and trophies can be ordered in time for the event.

The Studio Showcase is a wonderful opportunity for students to perform before an audience while receiving written feedback from a panel of professionals. Every participant will receive a trophy in recognition of their performance. In addition, participants are eligible to potentially receive recognition medals, or additional trophies which are presented to the highest-scoring performer in each category.

Students may choose to perform in any of the following categories:

- **Musical Theatre Vocal Performance** (Ages 12 & Under | Ages 13 & Up)
- **Contemporary Vocal Performance** (Ages 12 & Under | Ages 13 & Up)
- **Foreign Language/English Art Song Vocal Performance** (Ages 12 & Under | Ages 13 & Up)
- **Piano Performance** (Primer-Level 1 | Level 2 & Higher)

Participating students should arrive by **6:00 PM** for check-in. While there is no formal dress code, I do ask that performers dress nicely for the occasion. Please no jeans or T-shirts.

If you have any questions, please don't hesitate to contact me at **(734) 250-0483**. I look forward to celebrating another wonderful year of music with all of you!

Sincerely,

Mrs. Tamara Marla Hornby
Voice & Piano Instructor
