THE DR. JOSEPH D. LEWIS AWARD

The Joseph D. Lewis, PhD Award honors our beloved Delta Zeta Chapter Advisor, who officially served as an undergraduate advisor for nine years. Dr. Lewis's impact on Delta Zeta will exist for the life of this great chapter. He provided knowledge, strength, guidance, and mentorship and helped countless Brothers and fellow Centralians through his work with Upper Bound transition to adulthood. Delta Zeta "Bantu" is a piece of his legacy. Dr. Lewis was initiated in 1956 at Zeta Chapter at Ohio State University and passed to Chapter invisible on October 26, 2010. His tireless efforts and commitment to Kappa Alpha Psi Fraternity, East Central Province, Wilberforce Alumni, Delta Zeta Chapter and the students of Central State University have instilled the will to achieve. We honor his legacy and this award is presented to a Delta Zeta Brother that has been recognized for his stellar achievements locally, nationally and internationally and sacrifices made to the community.
