

## COMMERCIAL AND RETAIL

Commercial and retail flooring systems must be aesthetically designed without sacrificing lasting durability, hygiene and safety. ProREZ™ will design and specify the right seamless floor coating solution for your space.

*The ProREZ™ Advantage... Innovation beneath your feet.*

*Imagine beneath your feet there's a dependable flooring solution that's highly durable, long lasting, and easy to maintain — a resilient coating or heavy-duty resurfacing system that stands up to the heavy traffic patterns and punishing “wear and tear” — industrial-strength floors that are reliable, tough, and resilient. No matter the type of commercial or retail space, ProREZ offers a solid range of seamless, flooring systems and finishes to do the job.*

## **RETAIL AND GROCERY STORE SPACES**

In order to make stores more appealing to its customers, it is important that the seamless floor coating is highly durable, provides a reliably safe surface, and is aesthetically pleasing and complementary to the overall design or theme of the space. No one system does it all. ProREZ builds, customizes, and specifies seamless floor coating, resurfacing, and integral cove base systems for a wide array of retail and grocery spaces that are long-lasting and simple to maintain requiring no stripping, waxing, or buffing — reducing life-cycle costs.

### Hygienic and Safe

Commercial and retail facilities where dirt and other bacteria can accumulate need to be pristine and microbe-free environments. ProREZ seamless, non-porous, waterproof, protective flooring finishes balance slip-resistance with ease-of-cleaning, ensuring safety under foot for customers and personnel, while meeting or exceeding local, state, and federal requirements.

### Low Odor, Fast Setting Materials

Busy commercial spaces cannot afford expensive downtime or hazardous odors. Maintaining indoor air quality with low-odor, zero VOC materials, and offering quicker installations and turn-around times for repairs, refurbishments, or new installations without extended disruptions to operation schedules are real ProREZ benefits.

### Long-Term Value in Protection and Performance

The value of the floor coating is ultimately derived from the relationship of its overall cost and maintenance to its long-term performance and durability — whether a customer, or back-of-the house, space. ProREZ engineers carefully assess each space considering its unique environmental, functional, aesthetic, and budgetary requirements.

### Customizable Finishes

ProREZ aesthetically pleasing, industrial strength commercial flooring systems are available in a wide selection of standard and custom colors, blends, patterns, and textures- we even offer custom design solutions to enhance your space with a truly *one-of-a-kind* finish.
