

The Lord's Cupboard Food Pantry

Home Delivery Application

The Lord's Cupboard is offering weekly pantry essentials home delivery in partnership with Souris Valley United Way and DoorDash. The service is limited to households within a 10-mile delivery radius of The Lord's Cupboard.

Please note that this resource is intended for and may be the only food solution for many of our most vulnerable community members who cannot leave their homes during COVID-19, and who cannot access services at their local food pantry. If you are able, please consider picking up food in person at The Lord's Cupboard Food Pantry. For additional information on locations and hours of food resources near you, call 2-1-1.

This application is not a guarantee of services. Please make sure you list a phone number you can be reached at as that is how we will notify you.

If your address or contact information changes, please contact the pantry with any updates.

To be eligible to receive these deliveries, you must:

- Fill out the request for delivery service
- Be unable to access the food bank in person

**Please note that any person or family that is approved for services will receive them, regardless of immigration or documentation status. While we hope to serve everyone, if the demand for this service exceeds our capacity to provide these items, we may need to add additional eligibility requirements to ensure those most in need receive this service.*

**This is a contactLESS delivery. The driver will text you when they have delivered your order, if you do not pick up the delivery in a timely manner and the delivery is gone when you go to get it, we will not be providing another order.*
