

HEALTHCARE SOLUTIONS

MEDICATION DISPENSING

- Our dispensing solutions are the most comprehensive in the country and are the gold standard in the industry.
- Offers patients the ability to "one-stop-shop" rather than waiting in line at retail pharmacies.
- Prescribers have peace of mind in knowing that the medications they prescribe will be filled in the most time efficient manner possible for their patients - with fewer errors than at retail chains.

INDUSTRY LEADING SOFTWARE

- We utilize the industry leading software - cloud-based and designed with the Practice and staff in mind.
- The process is streamlined, so you spend less time on the computer and more time caring for your Patients.

YOU ARE OUR TOP PRIORITY

- Customer Service is our top priority, so patient care can be yours.
- Trident is with you every step of the way. We provide ongoing support to our Providers and their staff, to ensure that your dispensing solution is as effective and efficient as possible.
- In a fast-paced world, we understand your time is valuable and we keep that at top of mind!

BILLING AND COLLECTING

- At the heart of the outstanding success of our solutions is our expertise in billing and collecting.
- We have the highest collections rate in the industry and offer complete transparency to our Practices.

WHY TRIDENT MEDICAL GROUP?

- With over 20 years of industry experience, we combine our dispensing solutions with our Top-Notch Customer Service to provide our Providers with a seamless addition to their practice.
- In an industry where things can change rapidly, we pride ourselves in staying on top of those changes and keeping our Practices up to speed with the most current information.
- We truly have our Practices and their Patients best interest at heart and we show that through our turnkey dispensing solutions.
