

**Elite Electric 24/7 LLC***Registered Electrical Contractor - Miami Dade County*

License: ER13016399

Company Data Sheet

Welcome to Elite Electric 24/7 LLC,

This letter is to acquaint you better with our company's information, providing you with contact info, affiliations, recent project, referrals, and more. It is within our means to provide you with safe and functioning electrical systems and services and to substantiate such.

Contractor/Owner:

Manuel F. Uribe Jr. - Registered Electrical Contractor

Mobile Number: 305-984-2463

Email: eliteelectric247@gmail.com

License Number: ER13016399

FEIN: 99-3980700

Insurances: Policy Number (COI ATTACHED)

Associations:

NECA - National Electrical Contractors Association

ABC - Associated Builders and Contractors

Operation:

Elite Electric 24/7 LLC is licensed to operate in Polk County and Miami-Dade County; however, it maintains its activities within Miami-Dade County. Our scope of work includes commercial and residential, including, but not limited to: new construction, remodel alteration, service call, and EV charging stations.

Management:

The company manages its work through two, independent divisions; the service division and the construction division. The construction division is divided in two departments: residential and commercial. This method provides our clients with person-to-person relationships and better job control.
