About SquareCon Solutions

Established in 2017, SquareCon Solutions is a Minority owned, licensed and insured Security Guard and Private Investigations agency founded on the principle of providing effective security solutions through innovative practices. We employ strategies that focus on engaged communication to minimize risks and proactive operational planning to mitigate security vulnerabilities. We specialize in the provision of security personnel to private, commercial, and government contractors. Our elite security professionals

are certified with prior law enforcement training and have extensive experience in conflict resolution and threat detection. Our process of selecting only the highest quality personnel, gives SquareCon Solutions an edge over our competitors.

The Leadership

The founder and Chief Executive Officer, Mark A. Dickens has nearly 20 years of federal law enforcement and investigative experience and has been intricate in training countless agents and police officers in complex field operations, investigations, and counter terrorism measures. As a member of the U.S Federal Protective Service, Mr. Dickens ensured that GSA Certified Security Personnel within the National Capitol Region maintained compliance with GSA regulations governing contract security personnel. Mr. Dickens invests his expert knowledge and experience in every aspect of the business of SquareCon Solutions.
