

Bishop David Stewart Lady Pamela Stewart

"I believe God has called us together for such a time as this. As we see so many obstacles coming against us, attempting to destroy through pestilence, oppression, a falling away of the faithful, we must realize that this is a critical hour. But God always moves in the midst of critical hours.

He has the ways, means and desire to maintain and use a remnant of those who will keep their faith in Him and serve His will without selfish intention or ambition. Today God sees you, and He calls to you to do His will. We hope you will consider joining with us as we give of ourselves for His greater cause."

About Us

Greater Destiny Ministries International, or Greater DMI was formed in response to the cries of Pastors and other spiritual leaders within Africa and other international locations. Pastor David Stewart was first called upon in 2015 to come minister and teach in Paynesville, Liberia. On that occasion Pastor Stewart and a ministry team taught over 600 pastors over the course of a week of ministry, also baptizing many souls and meeting with members of the cabinet of the Liberian government.

In 2019 Pastor Stewart was called upon to minister in South Africa, followed by Lesotho twice during that year. Further trips were halted due to the pandemic, but while travel was hindered, the call was not, as many Pastors began to reach out in response to online ministry.

Greater DMI was officially formed for the purpose of enabling legal status to leaders called by the voice of God to spread His Word. Currently, the teaching and leadership coming from Greater Destiny Ministries International led by now Bishop Stewart, is being shared throughout the entire country, preparing Pastors and church leaders to share the Gospel in their communities and teach men and women the ways of Christ.
