SHEMOT / EXODUS 14:16-18

16 Lift up your rod, and stretch out your hand over the sea, and divide it: and the children of Yisra'el shall go into the midst of the sea on dry ground.

17 I, behold, I will harden the hearts of the Egyptians, and they shall go in after them: and I will get myself honor over Par`oh, and over all his armies, over his chariots, and over his horsemen.

18 The Egyptians shall know that I am the LORD, when I have gotten myself honor over Par`oh, over his chariots, and over his horsemen.*

TEACHINGS OF THIS PARASHA

- The value of the word means that we must fulfill the promises we make, just like many generations after Yosef's death, the people fulfilled their promise to take their remains to the promised land to be buried there.
- Another important lesson is to know how to "Thank Elohim" for everything he gives us and not to complain.
- Finally, in this portion of the Torah we see the importance of Praying and trusting that our ABBA Kadosh will respond to us.
