THE FORGIVENESS

During this week we are learning a very important value and it is **THE FORGIVENESS**. Yosef forgave his brothers for all the suffering they caused him and also thanked the Eternal because everything that happened had a great purpose. Suffering became a very great blessing.

Let's memorize this biblical quote:

Mishley / Proverbs 17:9

The one who covers an offense promotes love, but the one who hates covering it separates best friends and brothers.
