National Professional Qualification for Middle Leadership NPQML (Primary, Secondary and Special Education)

Develop the skills, knowledge and confidence that you need to lead a high-performing team in a school and to improve classroom practice.

Thomas Estley Learning Alliance (TELA) are one of only 41 nationally accredited providers of NPQs. The course is designed and delivered by experienced Head teachers, National Leaders of Education and teams of experts with modules designed to meet the needs of schools across the East Midlands, including narrowing the gap with white working class boys and leadership in faith schools. The **NPQML** consists of three Face to Face days and 3 Twilight sessions. You will need to complete essential modules and a final assessed school based task.

- The **NPQML** final assessment is a task drawn from work on a school improvement priority where you lead at team level for at least 2 terms. You will need to show that you can; make successful and sustainable improvement in your school; use the experience to reflect upon and improve your own leadership skills.
