

# PRIMARY MATHS NETWORK

Vicki runs termly networks for Maths leads in local schools, where they discuss national and local updates and collaborate on developing aspects of subject knowledge and pedagogical approaches, in line with 'Teaching for Mastery'.

They are always reflective sessions and the teachers attending are keen to support each other with their roles.

TELA and Vicki always welcome new colleagues, both those experienced and new to Maths leadership, to join our network

## Summer content

1. Maths bulletin - recent updates that will support you in your role (including an opportunity to discuss current assessment systems)
2. Knowledge spot - Visualisation:  
Why it might be a missing link in the curriculum?
3. Hot topic - Equity in Mathematics Education:  
What strategies could be effective in the classroom?

**Delivered by Vicki Giffard**  
**Primary Maths Advisor**

**Wednesday 20 May**

**1.15 pm - 4pm**

**TELA - Thomas Estley CC**

**TELA members £30 & non-members £35**

**To book your attendance email [telacpd@thomasestley.org.uk](mailto:telacpd@thomasestley.org.uk)**
