## New and Reformed National Professional Qualifications (NPQs)

### What are NPQs?

NPQs are the most widely recognised qualifications in the education sector for current and aspiring leaders. Accredited by the DfE, NPQs provide training and support for teachers and leaders at all levels. From those who want to develop expertise in high quality teaching practice, such as behaviour management, to those leading multiple schools across a trust.

Teach First are one of a select group of national providers, chosen to design, deliver and assess the reformed NPQs, in collaboration with delivery partners like the Leicester & Leicestershire Teaching School Hub.

### What types of NPQs are there?

There are now three specialist NPQs for teachers and leaders who want to broaden and deepen their expertise in specific areas:

**NPQ in Leading Teaching (NPQLT)** - for subject leads, Key stage leads and department heads. £840

**NPQ in Leading Behaviour and Culture (NPQLBC)** - for those with Head of Year and pastoral responsibilities. £840

**NPQ in Leading Teacher Development (NPQLTD)** - for roles such as CPD or ITT lead. £840

For those looking to progress into senior leadership and beyond, the following NPQs build foundational knowledge to rapidly progress your school or trust's key improvement priorities—all while creating and embedding a culture that allows your school, staff and pupils to thrive:

**NPQ in Senior Leadership (NPQSL)** £1,045

**NPQ in Headship (NPQH)** £1,690

**NPQ in Executive Leadership (NPQEL)** £3,245

*NPQs support teachers who want to take the next step on their leadership journey and are motivated to make a difference in their school. Each programme is tailored to your school's individual needs and designed to address your daily challenges. This will not only unlock your potential as a leader, but will unlock your pupil's potential too.*

*To request further information about the new and reformed range of NPQs, including DfE scholarships available, or to express an interest in reserving places for our November 2021 and February 2022 cohorts, please contact us at [tshub@leltsh-tmet.uk](mailto:tshub@leltsh-tmet.uk)*

The Leicester & Leicestershire Teaching School Hub and our well established local delivery partner, TELA, are pleased to announce our partnership with Teach First for the delivery of the new and reformed NPQs starting in September 2021.

As one of the highest rated DfE approved lead providers for NPQs, all of the Teach First qualifications have been developed by respected organisations and academics, such as Tom Sherrington, Christine Counsell, Tom Bennett, Prof. Rob Coe, Deans for Impact and the PTI.
