

TELA Newly Qualified Teacher Training

Fast track to outstanding pedagogy & educational leadership

Three twilight workshops building from first steps through to next steps; embedding good practice and pursuing outstanding practice.

(attendance at all three workshops is recommended for full benefits but is not obligatory)

Wednesday 25 September : Towards outstanding teaching and learning

Wednesday 5 February : Using data effectively for impact

Wednesday 20 May : Leadership pathways

Run by experienced senior and middle leaders with extensive experience of training NQTs and experienced teachers within their own schools and colleges, including leaders and trainers who have shared best practice in local and national arenas and trained trainers themselves.

- ◆ Emphasis on excellence; the aim is to grow talent and our future school leaders. A blend of challenge and support with plenty to stretch thought and potential.
- ◆ Real life examples from professionals and a chance to network with peers
- ◆ Dual strands running through the whole programme: Pedagogy and Leadership.
- ◆ Delegates will be asked to complete a pre-course survey so that the programmes pedagogy content is bespoke to the their needs /requirements
