SUMMER TERM '24

Continuing Professional Development

TELA have delivered 25 primary & secondary continuing professional development networks during the Summer term, which have been well attended by subject lead teachers within TELA's alliance of schools and externally.

These networks create an opportunity to share best practice and discuss ideas for each other's classrooms, their pupils and students.

Continuing Professional Development for Primary & Secondary

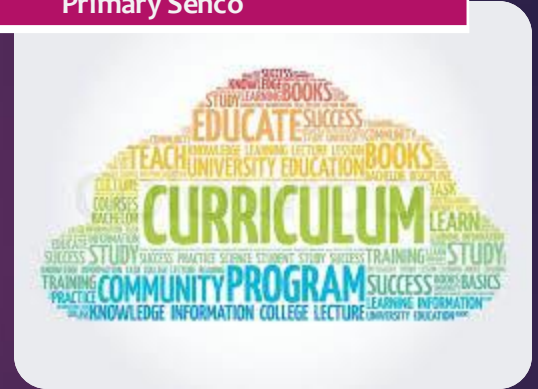

A fab fnetwork meeting that was so useful for me. Lots of sharing of ideas which was brilliant
Secondary Literacy

The presentation and information from Kate Browning was absolutely spot on and delivered in a practical way. The sharing of experience/ideas from the other attendees was helpful and reassuring too
Primary Senco

Thank you. I find these networks really useful. They are better in each other's settings as it's a good way to pick up ideas.

Achieve with TELA have attended events within Leicestershire, more recently at Richmond's Primary School.

It has been wonderful to chat to many about a possible teaching career.

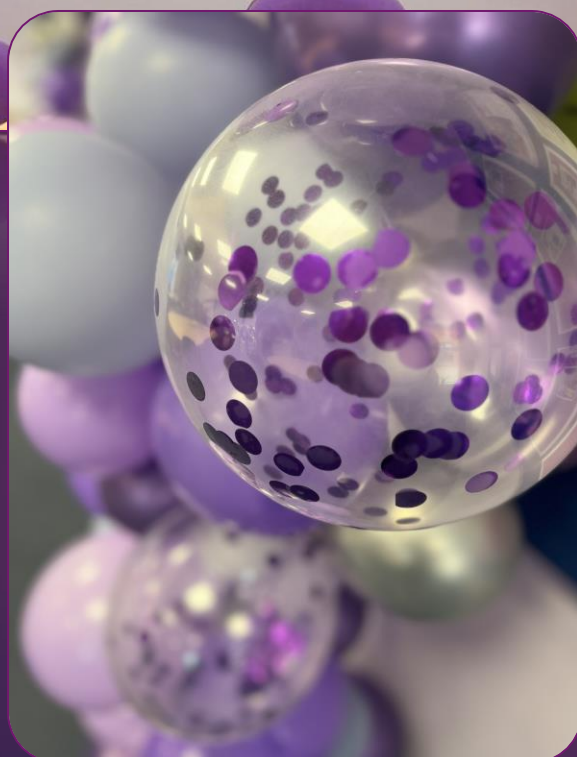

'Achieve with TELA' Teacher Training

We said goodbye to our TELA trainees, now qualified teachers, on Friday 5 July as we celebrated the successes of our primary and secondary cohort.

Some will be joining the Success Academy Trust schools, other will be joining the wider TELA alliance schools or schools across Leicester, Leicestershire, and further afield. We wish them all well and will stay in touch.

They have demonstrated resilience and perseverance during the year, we have laughed with them, shared their experiences and know them well as part of the TELA community. They have gained the respect from the young people in their placement schools, and we thank all the schools that have hosted TELA trainees on placements this year.
