

SECONDARY PUPIL PREMIUM NETWORK

Focusing on how to strengthen the impact of current strategies and refining provision through purposeful monitoring.

A chance to get involved with the PP audit tool project.

Consider the latest implementation guidance and how to use it to maximise the impact of your strategies.

Complete some monitoring activities linked to your current provision.

Share experiences of what you have observed through your monitoring — including success stories, challenges, and where you've had to make adaptations.

Explore how these reflections can support future planning and improve outcomes for children.

“

Best session I have been to.
It had a direction and vision, I felt energised
and enthusiastic.

”

“

Very relevant and practical resources.
Useful examples. Evidenced based.
Engaging delivery and networking with other schools.
